Grabbing for Bush's coattails
Clements boosts GOP

By Paul Martin
Panola Post Editor

While Vice President George Bush enjoys expanded support in Texas and the country, Senate Majority Leader Bob Dole is still looking for votes to help push his long-shot presidential campaign to the finish line.

Dole was in Panola County last week in an effort to breathe new life into the fading chances of Republicans running in local races.

"That's the fundamental purpose," Dole said.

Tuesday, Nov. 8, Panola County voters will decide whether the Republican party retains control of the state legislature.

"We believe it's headed in the right direction," Dole said.

The state's two main political parties have been divided in the past, with the Republicans gaining control of the state legislature in 1995 and the Democrats regaining the upper hand in 1997.

The first of these elections was in 1995, when the Republican party was able to capture a majority of state legislative seats.

The second election was held in 1997, when the Democrats were able to regain control of the state legislature.

Dole's visit to Panola County is part of a broader effort by the Republican party to mobilize voters and increase support for its candidates. The party has launched a campaign to reach out to voters and encourage them to cast their ballots for the Republican candidates.

Better telephones

By Pat Hinson

Director of Marketing

Many people have the same complaint: when you call businesses, the service is good, but the telephones are terrible. That's where the new telephone system comes in.

The operation is scheduled to begin next week and will be completed in about a week and a half. Funding for the new system was approved by the Panola County Board of Trustees, according to County Manager John R. Jones.

The new system will include new switchboards at the county courthouse, the courthouse annex, and the county jail. The new system will also include new telephones in each of the county's 10 district courts.

The new system will be installed by a local company, which will be paid $5,000 for the installation. The county will save $1,000 annually by using the new system.

Pritchard & Abbott discuss values

May see some increase

By Jeff Kline

The two candidates for sheriff, Bill Pritchard and John Abbott, have been discussing their differences in values.

Pritchard has said that he believes in law and order, while Abbott has said that he believes in rehabilitation of criminals.

They have both agreed that they want to see some increase in funding for law enforcement agencies to help them do their jobs better.

GOP in Texas and how it grew

Where did we leave the brass collar?

By Phil Martin

Panola County Post

The GOP in Texas has undergone a transformation in recent years. Once a dominant party, the GOP in Texas has faced challenges that have led to a reevaluation of its strategies and goals. The shift in power has been significant, and the party is now facing new opportunities and threats. In this article, we will explore the evolution of the GOP in Texas and how it has paved the way for a new era of political leadership.

Commentary and analysis

It was 12 years ago that the GOP was looking slim. The party had just suffered its third consecutive loss in the gubernatorial race, losing again to the incumbent Democrat, Mark White. The GOP was out of power in Texas, and the party's future appeared to be uncertain.

However, things have changed significantly since then. The GOP has made a strong comeback, and now it is the party in power in Texas. In this article, we will explore the factors that have contributed to the GOP's resurgence and what it means for the future of Texas politics.

Two things Texans don't like are bad highways and broken promises.

The money we send to Washington every time we fill up our cars comes back to Texas. The government promises that this money will be spent to build, repair and maintain our highways.

Directing those Federal Highway Trust dollars to some other purpose could devastate our highway system for years to come.

- It would halt vital road construction.
- Cancel needed safety improvements.
- End repairs to roads and bridges.

Aggressive campaigners are fighting Proposition One which makes certain that highway dollars stay on the roads. Keep the money go to Texas, the highways. Proposition One guarantees that highway dollars stay on the roads. Keep the money go to Texas, the highways. Keep Texas moving. Proposition One continues the Texas plan for good roads, economic growth and safe roads without adding taxes and most important, Proposition One keeps your hard-earned money on the roads.

A lot is riding on the decision of how Texans vote. Keep highway money for highways, and the jobs they create. Proposition One is endorsed by the Texas Highway Commissioners, local and state officials of both political parties, and hundreds of civic groups because they know that building good roads keeps Texas moving.

Dream is to blanket city with summer bloom

In Beckville, they’re planting crepe myrtle

By Dorothy Hefley

Herald Writer

The dream is to blanket Beckville with the brilliant and dainty Crepe Myrtle tree. The small, leafy, multicolored tree thrives in our area, and it seems only fitting that Beckville, Texas, should be filled with this lovely, violet-clustered beauty.

Perhaps the happiest of the Crepe Myrtle’s virtues is its brilliant explosion of blooms, which adds a splash of color to early summer and last through the hot, dry days of August and September.

While I was visiting the city, I had the opportunity to see the trees in full bloom, and I was struck by their beauty. The flowers are small, about the size of a dime, and they come in shades of pink, red, white, and purple. The leaves are a deep green, and they provide a nice contrast to the flowers.

The tree blooms in late May and early June, and it continues to bloom throughout the summer months. The flowers are fragrant, and they attract bees and butterflies.

I think it’s because we’re a praying people. Those who love and nurture this tree have real feeling for each other. The Lord has poured out His blessings.

Cedar Grove Church expands historic building

By Dorothy Hefley

Herald Writer

The historical Cedar Grove Church, which was established in 1840, has undergone a significant expansion in recent years. The church, which is located on the east side of Beeville, was founded by a group of German settlers.

The church has a long history of growth and expansion. In 1840, the church was established as a small log church. In 1850, the church was expanded to a larger size, and in 1870, the church was further expanded to accommodate the growing community.

In 1950, the church was again expanded to accommodate the growing community. The expansion included a new sanctuary, classrooms, and a large fellowship hall.

In 1979, the church was again expanded to accommodate the growing community. The expansion included a new sanctuary, classrooms, and a large fellowship hall.

In 1989, the church was again expanded to accommodate the growing community. The expansion included a new sanctuary, classrooms, and a large fellowship hall.

The church is a place of worship and community for the people of Cedar Grove. It is a place where the community comes together to worship and to celebrate life.

I think it’s because we’re a praying people. Those who love and nurture this tree have real feeling for each other. The Lord has poured out His blessings.

VOTING

A voter is a local, state, or federal election for a variety of offices, including local, state, and federal positions. The voter must be registered in the county in which they reside and be at least 18 years old. The voter must also be a citizen of the United States. Voting is done at the polls, which are set up in various locations throughout the county. The polls are usually open from 7:00 AM to 7:00 PM on election day. The voter will be provided with a ballot, which they will mark by selecting the candidates they wish to vote for. The ballot is then placed in the ballot box, and the votes are counted. The results are then announced, and the winners are declared.
