Medicare blamed for closings

By Sandy Young

As hospital closings continue to affect the health care market, Dr. Richard W. Smith, a member of the Panola General Hospital Board of Directors, said that Medicare and Medicaid programs are to blame.

According to Medicare guidelines, the hospital must close when the hospital is losing money to Medicare and Medicaid, Smith said. The hospital in question is the Panola General Hospital located in Carthage.

"The reason for the closings is the decrease in the number of patients that Medicare and Medicaid patients," Smith said. "The hospital is losing money to Medicare and Medicaid patients, but the hospital is getting money from patients that are not covered by Medicare and Medicaid."}

By Charles G. Moore

John Johnson, a local resident, has been following the events surrounding the closing of the Panola General Hospital. Johnson is a member of the hospital's Board of Directors.

"The hospital is losing money due to Medicare and Medicaid," Johnson said. "The hospital is currently going into the black, but the hospital is losing money due to Medicare and Medicaid."

Lady Dogs maintain district lead

By TED LEACH

CHAPLE Hill — For the second year in a row, Chapel Hill held onto its district lead in 4-A basketball.

Chapel Hill will open the playoffs at home on Saturday against Havelock, after finishing the regular season with a 25-4 record.

Chapel Hill senior guard Alex Johnson said the team is ready for the challenge.

"We feel good about our chances," Johnson said. "We've played well all season and we're looking forward to the playoffs.

Angelinia survives late Filly rally

By TED LEACH

LUFKIN — Lufkin's starting five never scored enough to build a lead, but they did score enough to pull away as the Lufkin Lady Stallions defeated Angelina College 65-49 to win the Region C-4 Area title.

The Lady Stallions (24-5) took control of the game with a 14-2 run in the first half, and never looked back.

"We're a team that can score in any situation," said Angelina College head coach Mike Williams. "But tonight, their defense was too much for us. They just outplayed us in every aspect of the game.""}

Bobcats move up to second place

By TED LEACH

CARLISLE — Carlisle beat Tatum 67-65 to move up to second place in the TEC.

The Bobcats (20-6) got the victory on a technical foul call against the Wildcats (19-7) with 14.2 seconds left in the game. Carlisle's Justin Price scored the winning basket.

"We needed this win to move up in the standings," said Carlisle head coach Mike Williams. "We played a good game and our defense held Tatum to just 65 points."

Churches to participate in varied ways

County Baptists prepare to 'Share Jesus Now'

By Dorothy Martin

Baptist ministers and members are gearing up for "Share Jesus Now," a national effort to reach out to non-believers. "Share Jesus Now" is a campaign designed to encourage church members to be more active in sharing their faith with others. The campaign will be held from Jan. 26 to Feb. 1.

"Share Jesus Now" involves a variety of activities, including door-to-door evangelism, prayer walks, and community service projects. The goal is to help people see the love and compassion of Christ in action, which can lead to a greater interest in learning more about the Bible and attending church.

"This is a great opportunity to show others how much we care," said Rev. John Smith, a Baptist minister. "It's a chance for us to be a positive influence in our communities and to let others know that we are here for them."

“One-Touch-on-the-Clutch” with the Hesston
560 Baler

Introducing An ALL NEW
Low-Cost Centerline Baler

• Hesston Model 4650 - 14” x 18” Square Baler

The economical Model 4650 is Hesston’s newest entry in the square bale market. Thanks to the exclusive “Centerline Design,” this new baler builds the straightest, squarest bales possible. And since it employs Hesston’s proven flat bed concept, leaves are saved and uniformly distributed throughout the bale.

The low profile pickup sweeps windrow with less disturbance of the crop and the low profile of the 4650 gives the operator excellent visibility.

The optional hydraulic powered bale thrower saves time and labor. You control direction and distance from the tractor seat so your trailer can be filled side-to-side and front-to-rear. Bales can also be dropped without detaching thrower.

The model 4650 is brought to you by Hesston. See it at your dealer now.

Best Tractor Warranty on the market: 4 years on engine parts and labor.
