Many people believe they have the "Gift of Second Sight"

Other times, when people begin to develop cataracts, the change in vision allows them to read smaller print than they have been able to read for a long time. Many refer to this as a "second sight.

Unfortunately, this condition lasts only a short time before the cataract develops further and makes everything appear out of focus and hazy.

A cataract is a clouding of the natural lens of the eye, and it is a part of the aging process nearly everyone will experience. Advancements in the treatment of cataracts have made cataract surgery a relatively simple procedure, which in most cases restores vision that an individual may continue to enjoy a full life.

For cataract surgery, there are several methods available, including laser surgery, phacoemulsification, scleral buckle, and extracapsular cataract extraction.

Carthage axes Pine Tree by 72-71

Carthage guard, John Smith, scored a game-high 20 points, leading the Eagles to a 72-71 win over Pine Tree. Smith's performance was crucial in the Eagles' win, as he scored 10 points in the fourth quarter to put the game out of reach for Pine Tree.

Carthage forward, Sarah Johnson, had a double-double with 16 points and 10 rebounds. Johnson was instrumental in controlling the paint and dominated the boards throughout the game.

Pine Tree guard, John Doe, scored 15 points, but it wasn't enough to overcome Carthage's defense. Doe had a tough time getting into the paint and was forced to rely on the perimeter for his scoring.

The Eagles took control of the game early, leading by 10 points at halftime. In the second half, Pine Tree mounted a comeback, cutting Carthage's lead to just two points with less than a minute to play. However, Carthage's defense held firm, allowing Smith to score the game-winning basket with 17 seconds left.

Carthage head coach, Mike Johnson, was pleased with his team's performance.

"We are excited to be in the state playoffs," Johnson said. "Our defense was key to our victory today. We played a great game of basketball and are looking forward to the next round."
Lady Dogs surrender to Pine Tree

By TED LEACH

Carthage coach Dave Smith didn’t know it as he was watching the Lady Bulldogs in their first loss of the season. "It was the kind of game that we should have won,” he said. “The Lady Bulldogs were in control for the most part of the first half, but we just couldn’t put the game away.”

Despite Smith’s assessment, the Lady Bulldogs still managed to win 55-40 against Carthage. Pine Tree took control of the game in the second half, outscoring Carthage 25-12. The Lady Bulldogs led by as many as 10 points in the first half, but Carthage was able to fight back and tie the game at 19-19 at halftime.

"We played well in the first half, but we couldn’t sustain it in the second,” said Pine Tree coach Keith Williams. "Our defense was key to us winning the game.”

Pine Tree’s defense held Carthage to just 27 points in the second half, while the Lady Bulldogs scored 38 points in the second half.

"Our defense was key to us winning the game," said Williams. "We forced Carthage to turn the ball over 12 times, and that really helped set the tone for us.”

Pine Tree’s Javyn Young led all scorers with 16 points, followed by Brianna Johnson with 13 points. Carthage’s top scorer was Alexis Reid with 12 points.

The Lady Bulldogs (26-2) are now looking to regroup and prepare for their next game against rival Carthage. "We’re going to focus on our defense and getting back to playing our style of basketball,” said Smith. "We’ll be back in action next week.”

TVCC makes just 11 goals in 55-40 loss

Panola’s defense stifles Cardinals

By Ted Leach

Panola College’s defense was too much for the visiting TVCC, as the Cardinals were held to just 11 goals in a 55-40 loss.

"Our defense was key to us winning the game," said Panola College coach John Smith. "We forced TVCC to make mistakes and turn the ball over.”

Panola College (26-2) held TVCC (10-12) to just 11 goals in the game, scoring 38 points in the first half and 17 in the second.

"Our defense was key to us winning the game," said Smith. "We forced TVCC to make mistakes and turn the ball over.”

Panola College’s top scorer was Emily Johnson with 16 points, followed by Kaitlyn Nelson with 11 points. TVCC’s top scorer was Jordan Smith with 8 points.

The Lady Bulldogs (26-2) are now looking to regroup and prepare for their next game against rival Carthage. "We’re going to focus on our defense and getting back to playing our style of basketball,” said Smith. "We’ll be back in action next week.”
