Bastille Day bicentennial part of PC history course

By Dorothy Neve

Students in Panola College's traveling European history classes will visit Paris later this year. The class will travel to that historic city in July. This will be the first time in the history of the college that such a trip has been made.

The trip will last about two weeks. Classes will be held in Paris, and the students will have the opportunity to see many of the famous sites of the city. The trip is being sponsored by the Panola College Endowment Fund.

The course is scheduled to take place, July 10 through 24, and will be taught by Dr. Richard Brown, professor of history. Brown has previously taught courses in Paris and has extensive experience in the area.

The trip will include visits to such landmarks as the Eiffel Tower, the Louvre Museum, and Notre-Dame Cathedral. Students will also have the opportunity to attend lectures given by leading historians from France.

Industrial Relations Committee honors Union Pacific Resources

The Industrial Relations Committee of the Panola County Chamber of Commerce honored Union Pacific Resources at a luncheon held at the Panola College Alumni Center.

The committee presented the award to Union Pacific Resources in recognition of its contributions to the local economy. The firm has been active in the area for many years and has played a vital role in the growth and development of the community.

Food baskets presented

John Foster, president of the Panola County Chamber of Commerce, presented the award to Union Pacific Resources. The presentation was made at the luncheon.

The company was presented with a basket of food as a token of appreciation for its continued support of the Chamber and the community.

The luncheon was attended by many members of the Chamber and Union Pacific Resources. It was a great opportunity for everyone to gather and celebrate the company's continued success in the area.
CARTAGEN - PANOLA COUNTY CALENDAR OF EVENTS

THE WEEK

This week’s events include: May 3 is Lisa’s 10th birthday. May 4 is “Friends of the Library” meeting. May 5 is “Mardi Gras” parade. May 6 is “Art in the Park.”

Marketing Education Advisory Board

Carthage High School held their annual Marketing Education Advisory Board at Joe’s Cafe Wednesday, April 20. In attendance were the students and the sponsors that formed the program. The meeting included a discussion on the future of the program and the students’ progress during the year. The program was attended by Mr. Joe Clark, Mr. Mike Wiles, Mr. Ray Wark, Mr. Bob Ricks, Mr. Jim Thorpe, Mrs. Betty Baker, Mrs. Pat Goree, and Mr. Bill Miller.

PC sets graduation ceremonies

School Project students are now setting the stage for a special event. The school is planning a special event for their students. The event will take place on May 10, 2000, at the Carthage High School. The event will include speeches, music, and a special presentation by the students. The event is open to the public and is free to attend.

Thanks given

The family of L. Cal. Miller was the recipient of the George Miller Scholarship Fund. The award was established in honor of their father, who was a long-time resident of Carthage. The scholarship is intended to help exceptional students further their education.

Panola College

Panola College is inviting you to a retirement reception honoring Myrna Hook, Margie LeGrone, and Charles Benson. The event will take place on Friday, May 11, from 1:00 to 3:00 p.m. in The Student Center.

Strength For Living

How do you respond to a challenge? Are you strong because of this one person? Have you ever lost someone close to you? What would you do to help them? Please join us for a Light Luncheon. Friends and former students are urged to attend.

Grizzly Notes

Concert by Ms. Ashby slated in Minden

Kathleen Ashby, Carthage High School director of bands, will conduct the band in a special concert on May 12, 2000, at the Minden Public School. The concert will feature the band, along with the school’s vocal and instrumental groups. The event is open to the public and is free to attend.

SPORTS SUNDAY

Rip 20 hits to bury Bucs, 18-2

Dogs nail share of 16-AAAAA title

By TED LEAH

LOOKING to end the season on a win, both the Bucs and the Dogs had a difficult time on Thursday. The Dogs, however, were able to score 20 hits and take the game 18-2.

The victory gave the Dogs a share of the 16-AAAAA title. The Bucs, who had previously held the title, were unable to hold on as the Dogs went on a scoring spree.

The Dogs were able to capitalize on the Bucs' mistakes and score early and often. They scored six runs in the first inning and never looked back.

The Bucs tried to mount a comeback, but it was too little, too late. They scored two runs in the ninth inning, but it was not enough to overcome the Dogs' large lead.

The Dogs' pitching was solid throughout the game. They allowed only two runs and held the Bucs to a season-low 20 hits.

BUCS EXTEND STREAK TO FIVE

Owens hurls Beckville win

By TED LEAH

The Bucs were able to extend their winning streak to five games on Friday with a win over Beckville.

Owens was able to pitch a complete game and hold Beckville to a season-low 10 hits.

The Bucs scored three runs in the first inning and never looked back. They were able to add four more runs in the second inning to put the game out of reach.

The win was a solid performance by Owens, who was able to keep Beckville's bats quiet throughout the game.

TEXARKANA FALLS INTO TIE WITH PONIES IN NETC

Panola sweeps Cats, gains second

By TED LEAH

Panola swept the Cats on Friday and gained second place in the NETC.

The Cats were unable to avoid a three-game sweep by Panola. They were unable to score in either game and were shut out.

The Cats' pitching was weak in both games, allowing Panola to score a combined total of 24 runs.

Panola was able to capitalize on the Cats' mistakes and score early and often. They scored seven runs in the first game and never looked back.

The Cats tried to mount a comeback in the second game, but it was too little, too late. They scored two runs in the seventh inning, but it was not enough to overcome Panola's large lead.

The Cats' batting was also weak in both games, allowing Panola to score a combined total of 24 runs.

Troy Crochet helped Panola sweep Lon Morris and retain the playoff hunt.
Ponies win in ninth with homer

Dando’s eighth dinger caps 9-8 thriller

By TED LEACH

Lakeland defeated Lake Wales 9-8 on a ninth-inning home run by Dave Dando, giving the Ponies their first district victory of the year.

With the score tied at 8 in the bottom of the eighth, Dando’s line drive sailed into the right-center field bleachers. It was his eighth home run of the season and 13th Ponies home run of the year.

The home run was Dando’s first since June 15, and only his second in the month of July. He also doubled in the seventh inning to give Lakeland a 3-2 lead.

The win was the first for Lakeland since June 15, and the first for Dando since June 13. It was also the first for the Ponies since June 12.

The Ponies have been struggling offensively in recent weeks, but managed to score four runs in the ninth inning to come from behind and win the game.

Cherry suffers loss

Lee beats Panola 3-0

By TED LEACH

The Lee County Mallardies defeated Panola 3-0 in the first game of the series.
