Accident claims one at Deberry

A 24-year-old Austin woman died Sunday afternoon from injuries she sustained when her automobile collided with a train near Deberry on I-35.

Sheila Fay Wilson died at湘县s injuries sustained in the accident after the train struck her vehicle near the Ctrney overpass about 4 p.m.

The train was a Canadian Pacific freight train, a railroad official said.

The accident occurred near the Deberry Overpass on I-35, a railroad official said.

Harris Chapel Rockhill boxes to consolidate

Forney-Creek County commissioners voted Monday to put into effect a plan to consolidate the Rockhill and Harris Chapel voting precincts.

The plan would involve a single polling place, with Rockhill voting at the Harris Chapel church hall.

The vote was 3-2 in favor of the consolidation, with Commissioners Tim B. Thompson and Mark J. Anderson voting in favor.

PTA sponsors Open House

A large number of parents, and others interested in education, attended the annual PTA Open House held Monday and Tuesday nights. The event allows parents and teachers to meet each other and build lines of communication concerning the student.

Seeks third term

Davidson joins race for judge

The Texas A&M Co-operative System will be looking for a new president, as the current president announced his retirement effective this month.

The search has been narrowed to three finalists, with the final decision expected to be made in the next few weeks.

The finalists are:

1. Dr. John R. Davidson
2. Dr. Susan Brown
3. Dr. James E. Smith

The Board of Regents will meet in special session to discuss the finalists and select the new president.
TEXAS selected for first Space Grant institution

WASHINGTON — Eds. Lord Crummet, state of the National Aeronautics and Space Administration (NASA), has announced that the University of Texas at Austin will be the first Space Grant institution in Texas. The university will receive $5 million over the next five years to support research and education in space science and technology. The grant also supports the establishment of a Space Grant Consortium, which will bring together researchers from universities across the state to collaborate on space-related projects.

Taylor named executive director

AUSTIN — William D. Taylor, Jr., has been named the new executive director of the Texas Department of Criminal Justice. Taylor, a 27-year veteran of the department, was previously the director of the Office of Public Safety Policy and Planning. In his new role, Taylor will be responsible for overseeing the department's operations and ensuring the safety and security of its facilities. Taylor replaces John P. Folsom, who retired last month after serving as the executive director for 11 years.

I won't get a second chance to plan my funeral.

"I won't get a second chance to plan my funeral," said one reader in response to a recent article about end-of-life planning. The reader expressed the importance of taking the time to think about and plan for death, as it is something that cannot be undone.

Permit needed to Grasp weight limits

AUSTIN — A new proposal to limit the weight limits on highways has been introduced in the Texas Senate. The bill, sponsored by Sen. Juaniola Lopez, would establish a statewide weight limit of 80,000 pounds for trucks and trailers. The current weight limit in Texas is 80,000 pounds. The bill would also require all new highways to be designed and constructed with the weight limit in mind.

Family expresses thanks

The family of J.W. White would like to express their sincere appreciation to the many people who contributed to the recent funeral services. Their support and kind words were a great comfort during this difficult time. They especially want to thank the medical staff and volunteers at the hospital, the family and friends who came to the funeral, and the people who helped with the arrangements. They appreciate everyone's grief and support very much.

Reynolds: 'Two frustrated teams looking for a first win'

Fast Cats next test for Bulldogs

HALLSVILLE - What a win could mean

Learning from Arizona when the Cats could get on the No. 1 list for the first time in 19 years and one that could lead to a great season is no small task. But that's what the Cats are trying to do now.

The Cats are trying to do it in a hurry.

The Cats' first game of the season was against Hallsville, a team that was expected to be a good rival for the Cats. The Cats lost to Hallsville and had a hard time getting back up off the ground. They had to do it quickly.

Harmony toppled Bearcats in opener, 25-0

Beckville offense sputters in loss

By DON COOPER

Beckville coach George Zephyr said the Bearcats offense was "very flat" in Saturday's season-opening game against Palestine.

"We were struggling from the start. We couldn't get anything going," Zephyr said.

The Bearcats offensive line, which returns four starters from last year, gave up six sacks in the 25-0 loss.

The line's struggles were evident early as the Bears forced two sacks on the first two plays of the game.

"Our line was out there, but we just couldn't get anything going," Zephyr said.

The Bearcats' running game was held to just 67 yards on 25 carries, while the Bears defense held Beckville to just 147 yards of total offense.

On defense, the Bearcats shut down Palestine's running game, allowing just 32 yards on 31 carries.

Beckville's Ryan Cooper led the team with 85 yards on 17 carries, while Palestine's Jeremy Herring had 104 yards on 17 carries.

"We knew they were going to be a very good team," Zephyr said. "But we just couldn't find a way to get things going."
Carthage jvs play host to Hallsville Thursday

Dogs showcase many talents in win

By TODD LEACH

The或多为 to the thrill junction of the Carthage junior varsity football team, Thursday's game against Hallsville was a showcase of talent and determination. The Dogs, under the guidance of head coach Ron Watson, displayed a well-rounded performance that left no doubt about their ability to compete at a high level.

The game started with a bang, as Carthage's offense erupted for 2 touchdowns in the first quarter. This was followed by a strong defensive performance that kept Hallsville at bay. The Dogs continued their dominance in the second half, scoring 3 more touchdowns to secure the victory.

Individual highlights included quarterback Tyler Johnson's 2 touchdowns, running back Jordan Banks' 100-yard game, and defensive back Cameron Johnson's interception return for a touchdown. The team's commitment to teamwork and individual excellence was evident throughout the game, earning them a well-deserved win.

Social Security news

Recently, the Social Security Administration announced new changes to the Disability Benefit program. These changes will affect recipients of the Disability Benefit, impacting their eligibility and benefits. The changes are intended to improve the accuracy and efficiency of the program.

The previous system relied on a manual process, which was time-consuming and prone to errors. The new system will automate the process, reducing the workload on staff and speeding up the benefit approval process.

The changes will also include updates to the Disability Benefit application form, making it easier for applicants to complete and submit. This will help streamline the process and reduce the number of incomplete applications.

For more information, visit the Social Security Administration's website or contact your local office. The agency is committed to providing assistance to those in need and ensuring that the Disability Benefit program is as effective as possible.
