Pipes to open for Atkins

When country music legend Chet Atkins takes the stage Saturday night at the Marchon Club Con-
cert, it will mark the official beginning of the 1968-93 ses-
son. The band, which performs at 6:30 p.m. Friday and 9 p.m.
Saturday, each night, will be headlined by country stars.

Tickets for the performance are $10 and $10. To order tickets, call the concert office at (214) 892-7123.

The Pipes are directed by Country Music Association vocal-
izer J. R. Johnson. His band's repertoire includes a wide
range of country music, including dance favorites.

The performance was planned as a salute to the late
country music legend Chet Atkins. The Pipes have been
a staple of the country music scene for many years, and
their popularity continues to grow.

The Pipes regularly perform at musical festivals and
appear at special events throughout the year. They are
known for their high-energy performances and their
ability to engage the audience.

The Pipes' performance is a highlight of the Marchon
Club Concert series, which has been a beloved tradition for
years. The concert series features some of the best
musicians in the country, and it is always a highlight of
the music season.

In addition to the Pipes, other performances are
planned for the concert series, including a special guest
appearance by Chet Atkins himself. Tickets are on sale,
and the event is sure to be a sell-out. Don't miss your
chance to see this incredible performance!
Area funeral services scheduled, held

Lemon was a member of the First Baptist Church in Carthage. Services were held Tuesday at 10 a.m. at the church by the Rev. J. L. Jones. Interment was in Westview Cemetery. A Democrat, Lemon had resided in Carthage for 47 years.

What’s missing from drug debate?

By KENDALL COOPER

We must all acknowledge that the drug debate is complex and multifaceted, involving political, social, and economic factors. While some提议 emphasize the need for increased law enforcement, others advocate for more treatment and rehabilitation options. Understanding the root causes and addressing them proactively can lead to more effective solutions.

“STATE OF THE ART IS HOW IT WORKS, NOT JUST HOW IT LOOKS”

From the team at Bates & Nixon Securities, we are excited to announce our new state-of-the-art office. This groundbreaking office will revolutionize the way we operate, offering cutting-edge technology and a seamless client experience. Join us in celebrating this milestone.

Antlerless permits offered

The Texas Parks and Wildlife Department will offer antlerless permits for the upcoming season. These permits are designed to help manage wildlife populations and ensure sustainable hunting practices. Applications are now open, so be sure to apply before the deadline.

Antlerless permits should be used in a portion of the state where antlerless harvest limits are in effect to help manage wildlife populations and ensure sustainable hunting practices.

EMS teaches safety procedures

EMS is more than just the people we see in front of the hospitals and the ones who take us in the back of ambulances. They are also the people who teach us how to keep ourselves safe.

One of the main activities EMS officers do is to teach people how to keep themselves safe in various situations.

The officers will teach us how to use an air mask, the use of water, and other medical procedures that can be used in a medical emergency.

The officers will also train us on how to use a first-aid kit and how to use an air mask.

Each minute can be saved!

An ambulance stands by as a team of Emergency Medical Technicians are transported to a nearby hospital.

Potpourri Club holds September meeting

Carthage frosch off to flying start

By UB LEACH

There are only four teams left in the playoff picture in the District 7-5A football playoffs. One of them will be the Carthage Buffalos. The Dogs, who have won all but one game this season, finished second in the district standings.
