Jim Chapman announced that the Housing and Urban Development program had up-provided $51,000 in funding beyond the budget.

Chapman, who is a member of the Development Corporation's Board of Directors, said the increase was due to HUD's.

The American Dream is a concept that has been around for generations, representing the ideal of upward mobility and success. With the recent changes in the economy, it may seem like the American Dream has become less attainable. However, with hard work and determination, it is possible to achieve the American Dream.

Dogs’ jvsvs defeat Chapel Hill, 17-6

By THOMAS R. COCHRAN

CHAPEL HILL — Carthage junior varsity players were clearly the more prepared team in the game of the week against Chapel Hill Monday night. Carthage defeated the visiting Bulldogs, 17-6.

“This was our first game and I think we were ready,” Carthage coach John Thomas said. “We had a couple of young players who did well and we were able to keep the ball out of Chapel Hill’s hands for much of the game.”

The game started with Carthage punting the ball to Chapel Hill, who fumbled on the punt. Carthage recovered the ball and was able to keep the ball out of Chapel Hill’s hands for the rest of the game.

Chapel Hill scored on a 15-yard touchdown pass from quarterback John Smith to wide receiver Tom Johnson late in the first quarter.

In the second quarter, Carthage scored on a 40-yard touchdown pass from quarterback John Smith to wide receiver John Jones.

Chapel Hill responded with a 10-yard touchdown run by running back Tom Johnson, but Carthage scored on a 20-yard touchdown pass from quarterback John Smith to wide receiver Tom Johnson.

The game ended with Carthage leading 17-6.

Chapel Hill coach John Thomas said, “We had a couple of young players who did well and we were able to keep the ball out of Carthage’s hands for much of the game.”

The game was played in front of a packed house at Carthage High School.

Freshmen shut out at Chapel Hill

By TED LEACH

Chapel Hill—A last second field goal by the No. 1 team in the AISA's Class B football league, Scott County, for a 10-0 win over the Pups, Saturday, made it a hard day for the young players.

Many thought the game would be a whitewash favors the Pups. However, the Pups came out on top in the first half, but Scott County's defense kept the Pups at bay.

In the second half, Scott County took over and scored 10 points, including a field goal. The Pups couldn't score a point in the second half, and the game ended with the Pups on the losing side.

Scoring a field goal in the last second is a testament to the efforts of the Scott County defense. The Pups couldn't find a way to score in the second half, and the game ended with the Pups on the losing side.

Fish limits may change

By TED LEACH

Toldeo—A major fish limit change is in the works, according to local fishermen. The limit change is expected to go into effect next month.

The limit change is in response to the increasing number of fish being caught in the area. The new limit will reduce the number of fish that can be kept per person per day, which is expected to help stabilize the fish population.

The new limit will go into effect next month, and fishermen are expected to hit the water to try their luck.
