Goodwin ‘serious’ about Cowboy suit

Center attorney Bob Goodwin, charging the Dallas Cowboys management with "using the rock" this season and "taking advantage" of an injured football player, said he will take legal action to fine the Cowboys to the tune of $100,000 for the conduct of any team or employee that is noncompliant with league rules.

Goodwin, charging false, misleading, or deceptive acts or practices in the conduct of any trade or commerce and not unlikely to deceive or to operate upon one of the factors of the marketing of any products, said he would consider any violation of the league rules to be an act of fraud.

"We have received numerous complaints from the players about the alleged fraudulent acts of the Cowboys," Goodwin said.

Tips, activities ensure a safe Halloween

Halloween is almost here, and children everywhere are eagerly preparing for the big night. But while trick-or-treating and costumes are part of the fun, it's important to ensure safety precautions are followed to make sure the holiday is enjoyable for all.

- Do use safe, non-flammable costumes that are bright, reflective, or light up. Avoid costumes that are long or frilly, as they could be a tripping hazard.
- Be cautious when crossing streets, especially at night. Use designated crosswalks when possible.
- Keep children away from pets and animals, especially in areas with lots of traffic.
- Teach children to knock before entering houses and to never accept candy from strangers.

The Clayton Volunteer Fire Dept. and Ladies Auxiliary will host a Halloween event on Saturday, with a trunk-or-treat from 4-7 p.m. and a costume contest at 7 p.m. Families can enjoy games, a pumpkin patch, and more.

Freshman stats

Carthage freshmen beaten, 20-8

By Ted Lynch
Carthage 's freshman football team took a hard fall in their first game of the season as they lost to Lumberton 20-8 on Friday night at the Carthage stadium. The Bobcats scored four touchdowns, but only one field goal, while Carthage scored one touchdown and one field goal. The game was a rough one for both teams, especially Carthage.

The first half of the game was a back-and-forth battle, with both teams gaining ground and making impressive gains. However, the Bobcats managed to score three touchdowns in the second half, while Carthage could only manage one more touchdown and one field goal. The final score was 20-8 in favor of the Bobcats.

Despite the loss, Carthage head coach Mike Roof was proud of his team's effort.

"I'm proud of the way our team fought," Roof said. "They played hard and worked their tails off, and I'm proud of that.""
