Economy looking up

Carthage, Beckville get sales tax checks

Both the City of Carthage and Devereaux recently received checks from sales tax payments, an amount that represents the taxes being collected, according to the county tax collector.

Carthage’s check, according to City Secretary Jeanne Marshall, is $27,214.72 and will be deposited into the city’s general fund to help fund city operations.

Devereaux’s Secretary, Lorraine Clemen, stated that their office had received $5,094.28 in revenue and would deposit the amount into the city’s general fund.

The city comptroller, Bob Bullock, said that sales tax receipts can vary from month to month, and this month, up to 5 percent below average, but cumulative payments up over 9 percent higher than last year and up this year.

Bullock said the economy is looking up for merchants in Texas and throughout the nation, and another good month for local governments.

Young actor has fun tackling wide variety of roles

By Polly Van Dyke

By now, Jeffrey Nordling's name as an actor for the Disney Channel's new series, "The Parent Trap," is not news. But when the show's creator, writer, and executive producer, Lawrence Kasdan, first approached him about the role, something did happen.

"I spent the first 14 years of my life as a person who didn't think I could do anything," the 19-year-old Nordling said in an interview. "I never thought anything of it. But when I was asked to audition, I thought, 'Who's this guy? I've never heard of him before.'" And when Kasdan told him he was going to play "the most important person in the world to me," Nordling said, "I was just like, 'What? I can do that?'"

Despite the sudden success, Nordling has remained grounded. "I try to keep my feet on the ground and not get carried away by my success," he said.

Not many actresses with same name related to performer Alan Ladd

O. I have always been concerned about my fans, especially the ones who are fans of my late father, Alan Ladd. To the fans of the late actor, I would like to say that I am not related to him.

Alan Ladd had two children: one son, Michael, and one daughter, Alisa. Cheryl Ladd of Chatsworth is the sister of Alan Ladd's mother, who was an actress in her own right.

Cheryl Ladd, who grew up in Hollywood, is married to actor James Farentino. She is the granddaughter of Ida Ladd, a star of the silent screen. Neither Cheryl nor her children are related to the California actor from the '40s.
