Airport device gains approval

Parishes County Commissioners on Monday approved for County Auditor to advertise for needed sites on some equipment specifications. Commissioners accepted the Airport Advisory Board's recommendation to seek bids for 10 of the new 100-foot radar sites that the County Adm. John Martin exhorted that the NDB is a harmless device used properly by VFR pilots to track their flight path by using the device. The device would allow these sites to be located in areas around the airport.

Commissioners voted to change the previous plans that was approved by 9-2 vote.
