Contested Gay election is void

The May 6, 1960, election for the office of mayor of Gay has been declared valid and a new, special election between Walter Crab and Robert Earl Young has been ordered.

In first count of the May election, Robert Earl Young had received 383 votes, Walter Crab 382, and one write-in vote. However, a recount of the votes cast for the office of mayor showed that a large number of voters did not vote for any of the three candidates. In the recount, it was determined that the number of write-in votes was far greater than the number of votes cast for any of the candidates. The recount also revealed that a number of voters had voted for both Crab and Young.

The occupied seats on the Board of Directors of the Gay School District are all filled, and the Board has the authority to fill any vacancies that may occur.
