Jacksonville nips Ponies at line

Jags shoot 30 free throws, PC 15 in 76-73 tilt

**BY TED LEWIS**

JACKSONVILLE — Jackie Hill scored 28 points and pulled down 13 rebounds as Jacksonville ended its two-game losing streak with a 76-73 victory over the Ponies of the University of Mobile Wednesday night.

The Jaguars, who had lost to Mobile in overtime in Mobile and then to Abilene Christian, improved to 13-7 overall and 2-0 in the Gulf South Conference.

Mobile, which received its 16th loss of the season, fell to 10-14 and 0-2 in the conference.

Hill, a senior forward, lit up the Ponies with her inside game early. She scored Mobile’s first six points of the game, and her inside presence helped Jacksonville open up a 15-point lead in the first half.

But Mobile fought back, cutting the lead to 10 at one point in the second half. However, Jacksonville’s offense continued to click, and Hill made sure the Jaguars would not be denied.

She made 11 of 12 free throws in the game, and her performance was crucial in the closing minutes.

With Mobile still within striking distance, Hill stepped up with a pair of key baskets to help seal the victory.

Jacksonville’s defense also played a big role in the win. The Jaguars held Mobile to just 30% shooting from the field and forced 15 turnovers.
