County gets monetary commission

Pamola County has received $1,545,164 in contributions, and less than two weeks before the system was installed last September in the county jail. The system, created and financed by the county, is designed to reduce overtime and improve efficiency. As of the 1993 federal prison change of security levels, the system will save $50,000 per month after the initial costs are recouped. The system is made up of electronic locks on each cell, including the combination that can be changed as the need arises. The phones are turned on and off from the outside, and an access code is required to access the system. The entire system is made up of electronic locks on each cell, including the combination that can be changed as the need arises. The phones are turned on and off from the outside, and an access code is required to access the system.

DeBerry man charged with homicide

Christopher Long, 27, of DeBerry, was arrested Friday night for allegedly stabbing his 27-year-old wife, Christy Long. The couple argued over a recent false arrest made by the police, and the dispute turned violent. Dickens was pronounced dead at the scene. The police said that Dickens was stabbed multiple times. Dickens was pronounced dead at the scene. The police said that Dickens was stabbed multiple times.

**Beckville students honored**

Beckville student has poem published

Twelve year old Michelle Pigg, daughter of Mr. and Mrs. Mike Pigg of Beckville, has had a poem published in the latest edition of"Texas High School Digest." The poem is titled "School Days." The Editor of the Digest was so impressed with Michelle's poem that he published it in the latest edition. This is the first time that a Beckville student has had a poem published in this prestigious publication.

**Rosedale Fire Dept.**

Rosedale Volunteer Fire Department is holding their annual "Fire Prevention Week" activities this Saturday, October 8th. The department will be offering free fire extinguisher checks to all members of the community. The check will ensure that the extinguisher is in good working order. The department will also be giving out free fire safety tips and information on how to prepare for a fire emergency. The event is free and open to the public. The department is located at 123 Main St. in Rosedale.
Black history month observed

By MATTEY THOMPSON

Tuesday, February 23, 2021

In celebration of Black History Month, the Panola Watchman and the Panola County Historical Society have planned a week-long series of events to honor the achievements and contributions of African Americans. The events, which include a series of talks, workshops, and film screenings, aim to highlight the diversity of the African American experience in Panola County.

"Panola County is rich in history and culture, and we are proud to celebrate the contributions of our black community," said Panola County Historical Society President, Dr. John Johnson. "We hope that these events will not only educate our community but also inspire the next generation to continue the important work of preserving our heritage.

Events include a talk by local historian Dr. Mary Smith on "The Role of African Americans in the Civil War," a workshop on "Black Women's Suffrage," and a screening of the documentary "Black Panther: A True Story." We encourage everyone to join us in celebrating this important month."
CISD studies health care policy

The Chunghwa Board of Trustees includes representatives from various community organizations, hospitals, and businesses. The board meets regularly to discuss and assess the health care policy.

Calendar of events

UPCOMING EVENTS:
- April 15: CISD Health Fair
- May 1: CISD Health Conference

TEXAS EXES TO CELEBRATE

Texas Independence Day will be celebrated in the Cypress area. Events will include a parade, a barbecue, and a fireworks show. More information will be available soon.

My record stands on it's own:

- I was elected to the Board of Directors of the Cypress Area Chamber of Commerce in 2021.
- I served as President of the Cypress Area Chamber of Commerce from 2021 to 2022.
- I was awarded the Community Service Award by the Cypress Area Chamber of Commerce in 2022.

"Counting Products For Quality Building" 210 S. Shelby 693-8541 Carrigton, Texas
Galloway News

**By Mrs. Closie Baker**

Have a nice crowd for church this morning. We do not have log cabins in our church, but the altar is always pretty. Thank you for the cinnabonicion. Oh, so you have a young son. We also have a young son. Matthew is 10 years old. I notice that you have a beautiful little girl. Our daughter is beautiful also. I have a son and two daughters. One daughter is 12 years old and the other is 10 years old. We do not live in Galloway. Our home is in the town of Liberty. We live near the railroad tracks. We have a chicken coop and a vegetable garden. We also have a small dog that we call "Buddy." We love to go fishing on the lake and we enjoy hiking in the mountains. We also like to go camping in the woods. We have been married for 30 years and we have six grandchildren. We love to spend time with our grandchildren and we enjoy going to church. Thank you for your kind words. We appreciate your support.

“State’s future will be in the hands of our children; we must make sure today that they will have the skills to guide the Texas of tomorrow.”

John Heath

Of all the issues facing us, none is more vital to our future than quality public education. The 100,000 Texas parents who have signed the Texas Parents Bill of Rights are concerned about the future of our children's education. The Texas Education Agency (TEA) has reported that Texas is facing a teacher shortage and that many rural school districts are struggling to attract and retain qualified teachers. This is a serious problem that we must address.

Thank you for your support. We look forward to working with you to ensure that Texas has a strong, well-prepared workforce for the future.
