Hospital expansion wins commissioners' nod

Approval comes on 3-2 vote

By JULIANA BRATTON and
CHARLES McCLURE
Pamela M. Bean, Chief of Communications
County staff voted for the expansion of the Panola General Hospital, which will be the centerpiece of a $90 million dollar fund that will be used to expand and renovate the hospital. The project is expected to be completed by 2024.

The $90 million dollar project will include a new emergency department, a new inpatient unit, and an expansion of the existing surgical wing. The project is expected to create over 300 jobs in the community, and it will also increase the hospital's capacity by 50%.

The project is expected to be funded through a combination of federal, state, and local sources. The hospital is seeking a $30 million dollar grant from the federal government, and it is also seeking $60 million dollars in state and local funding.

The project is expected to be completed by 2024, and it is expected to be an economic boost for the entire region. The hospital is expected to see an increase in patient numbers, and it is expected to attract new businesses to the area.

Hall to receive $89,000 grant

Heritage Hall, the young Panola County Historical Society building, will receive a grant to help fund its renovation. The building was constructed in the 1950s and has been used as a community center, a school, and a gymnasium.

The grant will be used to help fund the renovation of the building, which will include the addition of new windows, the replacement of the roof, and the repair of the exterior. The renovation is expected to be completed by 2023.

Retired chairman of FNB board dies

Evelyn Horne Chappell, a former mayor of Carthage, died on March 4, 2019. She was the first woman to serve as mayor of Carthage, and she was also the first woman to serve as chairman of the FNB Board of Directors.

Chappell was a long-time resident of Carthage, and she was known for her dedication to the community. She served as mayor from 1996 to 2000, and she was re-elected to a second term in 2000.

Increased oil, gas revenues may totally fund hospital expansion

Revenue from additional oil and gas will fund the largest portion of the planned $90 million hospital expansion, many believe. Panola County Appraisal District Chief Appraiser Joe DePauw said the 30 percent jump in the county's mineral valuations will mean $90 million to the county's capital fund.

The current oil and gas revenues are 50 percent of the total taxable value for Panola County. According to Panola County Appraiser John A. Molyet, this is the largest increase in oil and gas valuations in the history of the county.

City to participate in drug task force

Panola County has joined the Texas Drug Task Force. The task force was established to address the drug problem in the county. The CESEP has been invited to be on the list of officials as one of the most effective rural drug enforcement agencies based on recommendations from various local and state agencies.
**Strength For Living**

BY JERRY BURNAMAN

There are few people who can say that they have lived as tirelessly and as courageously as the people who have been working hard to keep the community going. Among them is Jerry Burnaman, who has been a dedicated member of the community for many years.

DRASTIC REDUCTIONS!!

Now that your bank’s been sold, have your CDs and IRAs been marked down to help pay for it?

Today, when your bank buys another, they often lower interest rates dramatically on CDs and IRAs which it is in their interest to do so. Why? It’s legal, and your money is worth more in the bank’s portfolio. The lower interest rates on CDs and IRAs mean you could be losing hundreds or even thousands of dollars in interest over time. The longer you let them go, the worse it will be. So, whether you’re looking for a

Hughes, Windham announce engagement; plan June wedding

Mr. and Mrs. Charles E. Hughes of Carthage announce the engagement of their daughter, Miss Elizabeth A. Hughes, to Mr. James W. Windham of Carthage. The couple will be married June 25 in Carthage. The happy couple will make their home in Carthage.

Business women hold membership drive

The Panola Pines Chapter of the American Business Women's Association held a membership drive March 24. Mrs. Jean Hall, president of the chapter, announced that the next meeting will be held March 28 at the Country Club. The chapter is one of the oldest in America. Officers are: Mrs. Jean Hall, president; Mrs. W. E. Mize Jr., vice president; Mrs. J. C. Smith, secretary; Mrs. W. C. White, treasurer.

WATCH US GROW

First State Bank and Trust Company will begin construction soon. To better serve you during the construction...

We have added two lanes to our drive-in to give you 10 lanes of convenience.

We have an automated teller machine open 24 hours a day for your convenience.

We have two drive-up tellers at the front of the main bank.

We also have a walk-up entrance at our drive-in on North St. Mary Street with free parking.

We invite you to use our front entrance for your convenience during the construction.
