PANOLA COUNTY POST

SPORTS SUNDAY

Blanks Whitehouse 13-0 without a hit in finale

Carthage goes undefeated in 16-4A

By TED LEACH

American-Statesman Staff

Carthage's Matt Blank, back, throws the ball to third baseman Cody Green to retire Whitehouse's Chad Smith at the plate during a first-round playoff game on Friday. The Mustangs have won 17 straight games and are playing for the state championship this weekend.
Letter to the Editor

Dear Editor:

I am writing in response to the recent article discussing the impact of climate change on our community. As a member of the local environmental group, I believe the article did not sufficiently highlight the urgency of the situation.

According to recent studies, the effects of climate change are becoming increasingly severe. Temperatures are rising, sea levels are rising, and extreme weather events are becoming more frequent. These changes are having a profound impact on our way of life, affecting everything from agriculture to public health.

It is crucial that we take immediate action to mitigate the effects of climate change. This includes reducing our carbon footprint, investing in renewable energy, and implementing policies that promote sustainable practices.

I urge the community to come together and take action. Together, we can make a difference and ensure a healthy future for all.

Sincerely,

[Name]
