CISD budget victim

The CISD budget was hit hard this year, with the school district facing cuts in many areas. The district had to make tough decisions to ensure that it could continue to provide quality education for its students. The cuts affected programs such as athletics, extracurricular activities, and technology. The school board had to prioritize its spending to ensure that the most important areas were funded. Despite the budget cuts, the district remained committed to providing a quality education for all students.

Search fails to net marijuana fields

Drug agents canvass county

The drug agents were searching for marijuana fields in the county. They were looking for any signs of drug activity in the area. The search was part of the ongoing effort to combat the production and distribution of illegal drugs in the area.

Rodeo tickets are now available at select area outlets. The tickets can be purchased at local stores and online. The rodeo is expected to be a popular event, and tickets are expected to sell out quickly.

Amey National Guard helicopters

This is a photo of Amey National Guard helicopters in action. The helicopters are likely involved in a training exercise or a mission. The image captures the power and precision of these military aircraft.
Know Your Heritage
Humphries ancestry found

The Principles United Methodist Church is honoring the memory of its first minister, Rev. George Humphries, in a special service on Sunday, August 7th, at 3:00 PM. The service will include a presentation on the Humphries family's history, tracing their roots back to the 18th century in Ireland. The service will be held in the church's sanctuary, which has been restored to its original 1890s design. The public is invited to attend and learn more about the Humphries family's impact on the community.

Williams would ride good horse as governor

Oil man, rancher, businessman has much to offer Texas

Clayton Williams came to头顶 the state of Texas playing as a oil man, businessman, and his main was to bring new life to his respected company. He has been a part of the state's economic growth for many years, and his leadership has been recognized.

During his campaign, Williams emphasized his commitment to improving education and infrastructure. He also vowed to work with both parties to address the state's pressing issues.

Williams would ride a good horse as governor because he believes in making decisions that are good for the state and its citizens. He would not let partisan politics get in the way of getting things done.

As governor, Williams would use his experience as an oil man and a businessman to make sound financial decisions. He would also work to make the state's economy stronger, creating jobs and opportunities for all Texans.

Williams' long list of accomplishments in Texas include his role as a successful oil man and businessman. He has been involved in a variety of industries, ranging from energy to real estate. His experience and dedication make him a formidable candidate for governor.

In conclusion, Clayton Williams is a man who has dedicated his life to serving Texas. He would make an excellent governor, and his leadership would benefit the state and its citizens.

Bush administration faces uphill economic battle

The Bush administration faces an uphill battle as it attempts to turn around the economy. With high unemployment rates and a struggling housing market, the administration is facing a daunting challenge.

The administration has implemented a number of policies in an effort to stimulate the economy, including tax cuts and increased spending. However, these efforts have not been as effective as hoped.

The administration is also facing criticism for its handling of the financial crisis. Critics argue that the administration's policies have failed to address the root causes of the crisis.

In conclusion, the Bush administration faces a difficult task as it tries to turn around the economy. While the administration has implemented a number of policies, it will take time to see if these efforts will be successful.

Deferring taxes can be effective

IRA vs. taxable returns

### IRA
- **Advantages:**
  - Contributions are tax-deductible.
  - Growth is tax-deferred.
  - Withdrawals are taxed as ordinary income.

### Taxable Return
- **Advantages:**
  - Easier to understand.
  - No special rules to follow.

**Note:** Contributions to traditional IRAs are usually tax-deductible, and the money grows tax-deferred. Withdrawals are taxed as ordinary income. Roth IRAs are funded with after-tax dollars, but withdrawals are tax-free after age 59½. Federal Retirement Income Plan: For employees of the federal government, it offers tax-free earnings and a defined benefit plan. State Retirement Income Plan: Similar to the Federal Retirement Income Plan, but available for state employees.

**Underwood home designated oldest in town**

Still standing proudly

This historical home of Mrs. Andrew Underwood, who lived there for the past 60 years, has been designated the oldest home in town — and rightly so. The old home still stands today, and you can see its great age in the town's oldest home. The house was built in 1880 and has been in the family ever since.
