Governor honors district for high test scores
BISD joins elite class of 279 schools

The State Board of Education has honored the Beaumont Independent School District (BISD) for its high test scores, making it one of only 279 schools in the state to achieve the distinction.

"We are thrilled to be recognized by the state for our academic excellence," said Superintendent Dr. Chris R. Hill. "This achievement is a result of the hard work and dedication of our teachers, staff, and students. It's a testament to the quality education we provide in BISD."

Rucker graduates hospital corps

Mary Hobgood, 26, of Rush, was graduated recently from the Nursing School at the University of Health Science Center of Memphis. Hobgood was a resident of Rush. She was 26 years old, is the daughter of Mr. and Mrs. J. B. Hobgood, and has been a resident of Rush all of her life. She has been a registered nurse for three years.

The University of Health Science Center of Memphis graduated 32 students recently. Among those graduating were Mary Hobgood, 26, of Rush, and Mary Hobgood, 26, of Rush, both of whom have been registered nurses for three years.

IT SOUNDED TOO GOOD TO BE TRUE!

On Friday, Jan. 19, 1989, a group of people gathered at the University of Health Science Center of Memphis to celebrate the graduation of Mary Hobgood, 26, of Rush, and Mary Hobgood, 26, of Rush, both of whom have been registered nurses for three years. The celebration was held in the auditorium, and included a group of nurses and doctors, as well as friends and family of the two nurses. The group was led by Dr. John Hobgood, who gave a speech on the importance of nursing and the role of nurses in society. The speech was followed by a performance by the University of Health Science Center of Memphis band, and a presentation of certificates to the graduates.

Mary Hobgood, 26, of Rush, and Mary Hobgood, 26, of Rush, were both graduated from the University of Health Science Center of Memphis, and are registered nurses. They have been working in the field of nursing for three years, and are both very proud of their accomplishments. They are excited to begin their careers, and are looking forward to the challenges that lie ahead.

The University of Health Science Center of Memphis is a leading institution for the training of nurses and other health professionals, and is committed to providing high-quality education and training. The university is located in Memphis, Tennessee, and is home to a number of programs, including the School of Nursing, the School of Medicine, and the School of Dentistry. The university is known for its excellent programs, and is consistently ranked as one of the top institutions for the training of nurses and other health professionals. The university is proud to be a part of the community, and is committed to making a positive impact on the health and well-being of the people of Tennessee and beyond.

**Dog jvs' defense chews up Lindale**

By TED LEACH

LINDALE — Carthage junior varsity football players had time to reflect on the soap game of the week before and were ready to put aside the tedium and do battle with Lindale's seniors.

Defensive coordinator Don Wilson, his assistant Jerry Baugh, and safety Pluto Buntun were all smiles on a recent Friday, knowing they had an opportunity to play against the locals.

"If we can hold Lindale to 14 points and get out with a 16-point spread, we'll be happy," Wilson said.

Carthage gave a few moments of its time to Lindale's players, who were left to ponder their fate.

The Carthage defense played its best game of the season, limiting Lindale to 67 total yards. The seniors had 25 yards to show for their efforts, and the Carthage defense held them to 16 total yards.

The Carthage defense kept Lindale from scoring until late in the game, when the Carthage defense scored its second touchdown of the season. The defense was able to maintain its lead throughout the game, holding Lindale to just 67 total yards.

On the other hand, the Carthage offense was able to score four touchdowns, with the first coming in the first quarter on a 20-yard run by Chad Thompson. The second touchdown came in the second quarter on a 20-yard pass from Bo Lee to Bo Lee. The third touchdown came in the third quarter on a 20-yard run by Chad Thompson. The fourth touchdown came in the fourth quarter on a 20-yard pass from Bo Lee to Bo Lee.

The Carthage defense was able to maintain its lead throughout the game, holding Lindale to just 67 total yards.

As the final seconds ticked away, the Carthage defense stepped up and forced a turnover on downs.

"I'm proud of our defense," coach John Neiman said. "They came up with all the big stops when we needed them."...
