Arson suspected after McCarty’s goes up in flames

Guthrie Fire Chief Steve Adams assisted area in the fire that destroyed the McCarty’s Restaurant building Thursday morning.

Adams said Thursday afternoon that preliminary investigation indicates the fire started around 7 a.m., after the restaurant was closed for the night. The fire department responded to the building at 7:13 a.m. and had it under control by 7:44 a.m.

The fire started on the west end of the building and spread to the east side, causing extensive damage to the restaurant. The restaurant was located at 429 S. Main St.

The restaurant is a total loss, and the investigation is ongoing. The cause of the fire is still under investigation.

The Guthrie Fire Department is working with the Guthrie Police Department to determine the cause of the fire.

The restaurant was located in the downtown area of Guthrie, and is a popular spot for local residents.

The restaurant had been in business for over 20 years and was known for its breakfast menu.

Fifteen employees were working at the time of the fire, and all were accounted for shortly after the fire was reported.

Nobody ever wins when people steal

People work hard for their money. Do you want to be one of them? No one, except those who prey on others, should benefit from their hard work.

Crime, and especially shoplifting, is a serious problem. It not only affects the store but also the community. The people who get caught are treated like criminals, and the people who do not get caught have to pay for their mistakes.

The problem is that there are too many people who are willing to commit crimes to get what they want without paying for it. This is not a healthy society. It is not a society that can be proud of.

What can be done to stop shoplifting?提高 law enforcement. It is not enough to just arrest people and send them to jail. We need to make sure that they understand that what they did was wrong and that they will not be able to do it again.

Also, we need to make sure that the stores are secure. They need to have good security systems in place that will prevent people from stealing.

We need to work together to make sure that our society is a safe and healthy place for everyone.

Maintaining Panola County merchants good for economy

Panola County merchants have a hard time competing with other merchants further away. It is a common problem, but the merchants in Panola County are doing their best to keep up.

They are trying to offer unique products and services that people cannot find elsewhere. They are also trying to be the best in the service they provide.

The merchants in Panola County are working hard to make our community stronger. They are helping to keep our economy alive and vibrant.

We should support our local merchants. It is important for the community.

Keep your x-mas dollars local

It is the time of the year when people start to buy gifts for others. It is a great opportunity for businesses to make a lot of money.

The problem is that people tend to buy gifts from other places. They might not realize that the money they spend in those places is not coming back to Panola County.

It is important to keep your x-mas dollars local. It is a way to support the businesses in Panola County.

The merchants in Panola County are working hard to make our community stronger. We should support them.

Can Chiropractic Help Me? How Much Will It Cost?

We are often asked "What's the best way of finding out whether or not a doctor of chiropractic can help my problem?"

We believe the answer can be found in a complete chiropractic consultation and examination, including a report of condition that usually costs $74.00-$120.00 or more for $35.00.

We will make this special program available for the next 2 weeks. The only exception is the offer itself carries personal injury cases (doctor's compensation and such accidents) in which there is no charge directly to the patient.

The offer is limited to those in the immediate area and those who present a current doctor's referral.

$2500 Regular $449-$1295 program Expires Dec. 31, 1989

PRAKTIKAL, COSTS INCLUDE:

- Initial evaluation
- Consultation
- Chiropractic examination
- X-rays and/or magnetic resonance imaging
- Diagnosis and treatment
- Reports and follow-up care

If you are experiencing any of these symptoms, call our office today for an appointment.

Louisiana Tech vying for Independence crown

Dogs’ Total Package goes bowling

When Louisiana Tech opened a season of optimism and hope, it was opened in Baton Rouge on September 15. The team was expected to compile a solid record and perhaps challenge the Top 20 teams. They were expected to achieve this with an experienced, talented, and dynamic team.

With the team's strong showing in the first few games, it was thought that the Bulldogs could potentially challenge the Top 20 teams. However, several injuries in the lineup, including those to key players, have caused the team to struggle. Despite the setbacks, the team has continued to play with intensity and determination, and has managed to maintain a competitive edge.

The latest game against the University of Southern Mississippi was a tough one, as the Bulldogs were outplayed in nearly every aspect of the game. However, they managed to hang on for a 28-21 victory, which was a testament to their resiliency.

The team's success is a testament to their dedication and hard work. They have overcome numerous challenges and setbacks, and have continued to play with heart and determination. The Bulldogs are now looking forward to their next game against the University of Texas at Austin, which they hope to use as a springboard for their upcoming season.

Dogs rip Jefferson for third victory

By TID LNECH

Jefferson - The Bulldogs continued their winning ways and earned their third victory of the season on Saturday afternoon, as they defeated the Jefferson Dragons by a score of 42-7. It was an important game for the Bulldogs, who are now looking to build on their success and continue their winning streak.

The Bulldogs came out strong in the first quarter, as they scored two touchdowns to take a 14-0 lead. They continued to dominate in the second quarter, scoring two more touchdowns to lead 28-0 at halftime.

In the second half, the Bulldogs continued their impressive play, scoring four more touchdowns to lead 42-0. Jefferson managed to score one touchdown in the fourth quarter, but it was not enough to overcome the Bulldogs.

The win was a testament to the team's hard work and dedication. They have continued to play with intensity and determination, and have managed to maintain a competitive edge throughout the season.

The team is now looking forward to their next game, which is scheduled for next weekend. They are confident in their ability to continue their success and are ready to take on the challenge of their upcoming opponents.
