There are good reasons why other cars compare themselves to Cadillac...

Safety

It's not surprising that other luxury cars want to be compared to the best selling luxury automobile in the world. Cadillac has over 120 years of experience in engineering and manufacturing, and has consistently set the standard for luxury and performance. The car is equipped with advanced safety features that make it one of the safest cars on the road. It is equipped with a surround view camera, a rear cross traffic alert, and a rear cross traffic alert. These features help drivers avoid collisions and keep them safe on the road.
