Texas State Grand Champion rider of Sugar Fox Trotting horses

Abbott takes top honors in competition

"It takes a lot of heart work to be the best," Abbott said, "but being the best is great. I just love doing it. I want to be the best and I want to win."

Abbott, a senior at the University of Kentucky, has been competing in harness racing for the past three years. He has won numerous races and is currently ranked in the top 10 in the nation.

"I love being on the track," Abbott said. "I love the excitement of racing. I love the adrenaline rush. It's like I'm living my dream."

Abbott's success on the track has not gone unnoticed. He has received numerous awards and recognition for his efforts.

"I just want to keep improving," Abbott said. "I want to keep getting better. I want to keep winning."

Abbott's next goal is to compete in the Winter Classic, a prestigious harness racing event that takes place in the winter months.

"I'm looking forward to it," Abbott said. "I'm excited to see what I can do. I'm ready to take on the challenge."
Pioneer outsmarts experts

Justice runs amok under Price regime

The reception of the Shakesville district attorney's office in local law enforcement has been nothing short of astounding. The district attorney, a former Shakesville police officer, has consistently outsmarted his opponents, both in and out of court.

SEASON TO SAVE

Carter's HOME & AUTO
There are good reasons why other cars compare themselves to Cadillac...

Safety

Be not surprised that other luxury cars want to be compared to the best selling luxury automobile in America.

The 1978 Cadillac Eldorado continues to be the leader of the luxury car world. But, the Eldorado has to compete with a host of other luxury cars on the market.

A synergistic design and a new engine are the key ingredients to the Eldorado's success. With its new 350-cubic inch V8 engine, the Eldorado is powerfully quick and smooth.

The Eldorado has a large trunk that is perfect for long trips. The Eldorado's front seats are very comfortable and the rear seats are large enough to accommodate two adults.

In addition, the Eldorado's exterior design is elegant and stylish. The Eldorado's interior is equally impressive with its fine leather upholstery and wood-trimmed dashboard.

Tatum FFA compete

Second team of the Tatum FFA Chapter, managed by Mr. C.B. Lindsey, competed at the National FFA Convention in Louisville, Kentucky. The team also competed in the National FFA Convention Fair.

The team, under the leadership of Mr. Lindsey, competed in the following events: FFA Business Management, FFA Agronomy, and FFA Forestry.

The team's performance was outstanding, and they brought home several awards. The team members were pleased with their achievements and look forward to competing in future national events.

Letters to the editor are welcome.

Singing tree draws large crowd
Central Baptist Church choir presented its Singing Christmas Tree program recently. Choir Director Karrae Hall shared that the idea for the outdoor tree project came from a 15 year old in Sikeston, Mo. It has been two years since Central Baptist Church started the Singing Christmas Tree program. "Our message from the people of Central Baptist was so great we decided to have another. Knowing the weather is a main factor, we planned it eight this time," said Director Hall.

The main purpose of having the program was to prevent the kids fromwmishing out for Christmas. Many families in the county. The tree about 20 feet tall and lighted. Sponsors donated the $1500 cost of the tree. The 50 vote started different groups performing various scenes. Friday night the 300 children performed. Saturday the Silver Tones and Sunday night featured the Children's choir. The program was held at Central Baptist Church on Saturday afternoon. All was donated. Brenda Allen wrote the script.
