**School resumes today!**

New county officers take oaths

New County Executive will be sworn in.

**Cordray, Harris face busy first meeting**

The new county officials are expected to discuss a variety of issues at their first meeting, including the budget, county operations, and other matters.

**Tallying the oath**

Cordray and Harris will be sworn in at the beginning of the meeting, which is scheduled to begin at 9:00 a.m. in the county courthouse.

**District attorney refuses all requests for information**

The district attorney has refused to provide any information on the ongoing investigation, citing the need for privacy and the protection of ongoing legal proceedings.

**Legislature faces extremely tough post-election session**

The new legislature will face a number of challenges, including budget issues, education, and healthcare.

**Hanszen to fill appraisal board vacancy**

Hanszen will serve on the appraisal board, which is responsible for determining property values for tax purposes.

DPS testing for new commercial licenses

The DPS is in the process of testing for new commercial license applicants. The program began in early January and is expected to continue through the spring. Applicants must pass a written exam and a driving test to be eligible for a commercial license.

Price

Ownership of a commercial license is required for anyone operating a vehicle for hire or a commercial vehicle. The fee for a commercial license is $250 per year.

Another cold spell arrives

While the temperatures are expected to moderate in the coming days, the Dallas-Fort Worth area can expect another cold front to move in this weekend. The National Weather Service predicts temperatures in the low 30s for Saturday night, with a high of 40 degrees on Sunday.

FATAL MISSION

You're a worker, failing to see a physician for your annual exam could be a fatal mission.

Healthcare is the second leading cause of death in the United States. In fact, one in ten women will develop breast cancer during their lifetime. The Women's Cancer Society and the American Cancer Society recommend annual exams for women and men. The council on aging and the American Cancer Society have partnered to offer free screenings to men and women.

Area deaths

MONTPELLIERS WYOMING MUNICIPAL

Every year, with the advent of November, there is a death toll, a collection of the lives of people who have passed away. Some of these are recorded as deaths by the county, but many are not. The Montpellier Museum is currently preparing a display on the topic of death in Montpellier. The display will include information on how death has affected the town over the years, as well as artifacts related to death and dying.

Panola College begins spring registration

Registration for the spring semester at Panola College begins on January 10. The college offers a variety of courses, including business, health sciences, and humanities. Students are encouraged to register early to secure their spots in their desired courses.

Carthage oil, gas news

The town of Carthage has been experiencing a surge in oil and gas activity. Local businesses are benefiting from the increased economic activity, and residents are seeing the impact on their community.

Drug scandal rocks district attorney

November

New case arose

Shane, a youth nicknamed 'Scooter' from the Redmond suburb, turned up dead on Saturday night in the trunk of a car in a local park. The district attorney's office is investigating the case, which is believed to have connections to the city's street gang problem.

Public reaction

Leo, the district attorney, has called for a public meeting to address the concerns of the community. He has also asked for the support of law enforcement agencies to prevent any further incidents.

District attorney's office

The district attorney's office has stepped up its efforts to crack down on gang-related activities in the city. The office has also launched a new initiative to involve the community in the prevention of such crimes.

December

Preparation

The district attorney's office is preparing for the upcoming annual budget meeting. The office is seeking feedback from the community to help shape the budget.

Winter weather keeping you from exercising?

Begin the new year with our new "Couple's" discount program.

Did you know...

A. It doesn't cost you a penny to try our passive Simmetry Exercise Unit.
B. We have both Map & Women on our program.
C. While you're in the salon exercising, you're completely enclosed in an individual cubicle for total privacy.
D. We have patrons who come only for the exercise. We encourage the food program which is available at no extra cost.
E. You can enjoy fried chicken & mashed potatoes and still lose weight on your food program. (Although we encourage losing fat content for health.)

Call or drop by for more information on how our rates can APIs for you

David L. Dresch, Special to the Times

Drug problem

The drug problem has been a major concern for the district attorney's office. The office has been working closely with law enforcement agencies to address the issue.

Community involvement

The district attorney's office has been encouraging community involvement in the fight against drug-related crimes. The office has also launched a new program to engage young people in positive activities.

Budget meeting

The district attorney's office is preparing for the annual budget meeting. The office is seeking public input to help shape the budget for the coming year.
