Linda Hoyt adds another photo to the lobby trophy case.

Post dental changes explained

Forfeits for d.a. approved

12th District Attorney Karen White submitted the names and addresses of five people to the Odessa County Commissioners Court for forfeiture of their property. The people in question had failed to pay court-ordered fines.

The $10,000 fine was approved and the money will go into the county’s general fund. The money will be used to pay for the costs of the court system.

Although not a popular item for some, the d.a. stated that it’s important to have a system in place to ensure that the money is collected. “We have an obligation to the taxpayers,” she said. “If we don’t collect the money, we’re not being effective.”

According to White, the money will be used to pay for the costs of the court system. “We need to make sure that the taxpayers are getting their money’s worth,” she said.

According to the Attorney General’s office, the decision will be published somewhere in the next two weeks.

The district attorney revealed that the decision will be published in the local newspaper.
