Congressman says any ground effort should be 'mop up'

Chapman supports continued bombing

By CHARLES McGUIRE

"If four weeks of the most intense bombing operations have not fallen on the German Nazi war machine, it is because this campaign was designed from the beginning to lead the world into war," says Representative George H. Chadwick of Ohio.

Representative Chadwick, in a statement released today, said that the bombing operations should continue until the German war machine is defeated.

"The enemy is not defeated yet," Chadwick said. "We have not won the war yet. We must continue to bomb until the German war machine is destroyed."

The congressman also said that the United States should not be satisfied with a limited victory.

"We cannot afford to be satisfied with a limited victory," Chadwick said. "We must win this war. We must defeat the German war machine."

The congressman's statement was released in response to a statement by Senator Robert A. Taft of Ohio, who said that the bombing operations should be stopped.

"We cannot afford to continue these bombing operations," Taft said. "They are not helping us win the war. We should stop them immediately."

The New World Order is no place to live

In the town of St. Louis, Missouri, residents are divided on the issue of the New World Order. Some believe it will bring peace and prosperity, while others fear it will lead to a loss of individual freedom. The debate continues.

Arrest report

Smith named to PNB board of directors

Amy Schmaler, a PNB executive, announced that Smith has been appointed to the board of directors. Smith is expected to bring new ideas and expertise to the bank.

Calendar of events

Hand gun class begins Wednesday

The PNB Sheriff's Department will begin a new class on hand gun safety and usage. The class is open to the public and will be held on Wednesday.

The Sheriff's Report

Hand gun class begins Wednesday

The articles are well written and informative. The editor is to be commended for providing quality journalism.
Well completions up last month

San Antonio (Tex.) Drilling Company has announced completion of 52 gas wells in the Panola County area in February. The company said this was the best February in the company's 30-year history.

The company said the completions included 22 field wells and 30 field wells, which were successfully completed within a 45-day period. The completions were made using the company's proprietary drilling and completion techniques.

The company said the completions were made in response to a strong demand for natural gas in the area, which has been driven by increased demand for electricity and heating.

The company said it expects to continue to make significant completions in the coming months, as it continues to expand its operations in the area.

For more information, contact San Antonio (Tex.) Drilling Company at (800) 555-1212.

Henderson enjoys second career

Henderson, who recently retired from his position as a teacher, has been named executive director of the Panola County Chamber of Commerce. Henderson has been a teacher for 35 years and has been a strong advocate for the chamber and its members.

'My goal is to help businesses succeed in Panola County,' Henderson said. 'I am excited about the opportunity to work with local businesses and help them grow and thrive in this community.'

The chamber has a number of programs and services designed to support local businesses, including a business referral program, networking events, and a business assistance program.

For more information, contact Henderson at 693-1234.

School menus announced

The Panola County School District has announced its menu offerings for the upcoming school year. The district offers a variety of lunch options, including sandwiches, salads, and fresh fruit.

The district has also announced the availability of breakfast options, including cereal, bagels, and fresh juice.

For more information, contact the Panola County School District at 693-4567.

Smith chosen as facilitator for science institute program

Smith, a former science teacher, has been chosen to lead the science institute program at the Panola County Science Center. The program is designed to provide opportunities for local students to explore science and technology.

'Science is a vital part of our future,' Smith said. 'I am excited about the opportunity to work with local students and help them discover the exciting world of science.'

The program is open to students in grades 6-12 and offers a variety of science courses, including biology, chemistry, and physics.

For more information, contact Smith at 693-7890.

CVFW chili supper aids firefighters

The CVFW will host a chili supper to aid the local firefighters. The event will take place on Saturday, March 5, at 6:00 p.m. at the CVFW Hall.

The chili will be served with beans, cornbread, and a drink. Tickets are $5 per person and may be purchased at the door.

For more information, contact the CVFW at 693-5678.

ARB meets Tuesday for roll changes

The Panola County Appraisal Board will meet on Tuesday, April 9, at 9:00 a.m. in the Panola County Courthouse to discuss changes to the property tax rolls.

The board will also discuss changes to the valuation of properties, including residential, commercial, and agricultural properties.

For more information, contact the Panola County Appraisal Board at 693-8900.
**NFL players slated March 2**

Booty sets plans for hoops event

John Booty, at the New York Jets and the New York Giants, is one of the NFL players who have been invited to participate in the upcoming basketball game scheduled for March 2. Booty, who is known for his athleticism and versatility, has expressed a keen interest in the game, stating, "This is an opportunity to showcase my skills and potentially attract some attention from other sports." Booty has been seen in several promotions highlighting his readiness to play and his commitment to the event.

Eight bowmen place in meet at Nacogdoches

The annual bowmen meet at Nacogdoches has been a popular event for archery enthusiasts. This year, eight bowmen have placed in the meet, showcasing their skills and precision in the sport. The competition was intense, with participants from various regional archery clubs vying for the top spots. The top eight bowmen are now set to compete for the championship, which will be held in a few weeks. The event has received a lot of attention, and spectators are eagerly awaiting the championship match.

Quail Unlimited meeting set Tuesday night

Quail Unlimited is holding a meeting on Tuesday night to discuss the upcoming season and plans for conservation efforts. The meeting is open to all members and interested parties, and it promises to be an informative session. The organization has been actively involved in quail conservation, and its efforts have been recognized for their positive impact on the environment and wildlife.

The Birds and Friends teams have been dominating in their respective conferences, with the Birds maintaining a perfect record. The competition has been fierce, and the Birds have shown their prowess in each match, leading to their stellar performance. The Friends team has been steady, with consistent wins and losses. The Ponies, on the other hand, have struggled to maintain a consistent performance, ending up with a record of six wins and six losses. The competition is heating up, and the teams are pushing each other to improve their games.
Lady Dragons beat Carthage 68-46 in playoffs

Paris showcases Reynolds in win

Poncho and his Carthage teammates look on as Paris senior Reynolds (32) makes a basket during the third quarter of the Lady Dragons' victory over Carthage. Reynolds scored 22 points in the game, helping Paris build a lead that it never relinquished.

Panola humbled by fourth place TVCC, 86-62

Cushing hot, Fillies not

People came to the game to watch the basketball, but they left with a taste of the legal system. The trial of a local drug lord, Poncho, was conducted in the arena. Poncho, who was accused of smuggling drugs across the border, was found guilty and sentenced to life in prison. The crowd was shocked by the verdict and the outcome of the game. The Fillies' defense was hot, but their offense was not. The Lady Fillies were outscored 46-68 in the game, and their hopes for the playoffs were dashed.

In warm up, 63-54

LaPoynor bombsards Bulldogs

LaPoynor's defense was relentless, as they forced turnovers and generated easy baskets. Their speed and agility were too much for the Bulldogs to handle. LaPoynor's Guard, A.J. Johnson, scored 24 points and grabbed 14 rebounds, leading his team to victory.

Pine Tree beats Dogs, gets crown

The Pine Tree Bulldogs were crowned as the champions of the Texas Eastern Conference Women's basketball tournament. They defeated the Dogs in a thrilling game, 63-54. The Bulldogs' defense was key to their victory, as they held the Dogs to only 54 points. The Bulldogs' Guard, A.J. Johnson, scored 24 points and grabbed 14 rebounds, leading his team to victory.

Bulldogs' Surratt on hold for 400th victory

The Bulldogs' Surratt was held for his 400th victory. The Bulldogs' head coach, Tony Surratt, was banned for a year after his team was found guilty of violating the league's rules. Surratt was sentenced to one year in prison and fined $10,000. The Bulldogs' defense was hot, but their offense was not. The Lady Fillies were outscored 46-68 in the game, and their hopes for the playoffs were dashed.

CJHS girls win 16-AAAAA crown

The CJHS girls won the 16-AAAAA championship. They defeated the Dogs in a thrilling game, 63-54. The Bulldogs' defense was key to their victory, as they held the Dogs to only 54 points. The Bulldogs' Guard, A.J. Johnson, scored 24 points and grabbed 14 rebounds, leading his team to victory.

H.A. Wallace's Company H in Civil War

Last month, author Gary Moon, who is writing a book on the topic, held a presentation at the annual meeting of the Panola County Farm Bureau. The presentation was well-received, and John H. Wallace (Sr.), whose great-great-grandfather was a member of Company H, attended the event. Moon plans to publish his research in the near future. In the picture, Mr. and Mrs. Wallace are shown with their children.

Support rally to be held

A rally to support the rebuilding of Shiloh Presbyterian Church will be held this Sunday at 2 p.m. in the church hall. The rally is open to the public, and all are encouraged to attend. The church was damaged during a recent storm, and the community is rallying to help with the repairs.

Oil and gas news

Two new gas producers have been brought on line in Panola County. The new producers, “Hannah” and “Longstaff,” are in the Hannah field just south of Panola. They are operated by Panola County Drilling Company, which is owned by the operators of the new producers. The "Hannah" producer has an initial production of 60 barrels per day and the "Longstaff" producer has an initial production of 70 barrels per day. Both producers have been brought on line to replace the production lost in the Parkman field, which has been declining in production for the past few years.

Valentines theme of meeting

On Valentine's Day, the Panola County Chamber of Commerce held its monthly meeting with a Valentine's theme. The meeting was held at the Chamber's offices at 120 Main Street. The meeting was opened with a special Valentine's Day balloon release, which was followed by a presentation on the history of Valentine's Day. The keynote speaker was Dr. John Smith, who spoke on the history and significance of Valentine's Day. The meeting concluded with a Valentine's Day-themed buffet lunch.

Gary News

By Miss P. J. PRINCESS

There was no news from Panola County this week. However, there was news from the city of Longview. The city council voted to approve a new ordinance that will regulate the sale of fireworks in the city. The ordinance will go into effect on January 1, 2023. The council also unanimously approved a resolution that will authorize the mayor to negotiate a lease agreement for the purchase of a new city hall.

Kyle graduates

Kyle Johnson graduated from Longview High School on May 20th. Kyle was voted as the Most Valuable Player of the year for the school's football team. Kyle plans to attend Texas A&M University in the fall.

Area deaths
