State home budget balanced

County commissioners Monday morning approved the meeting of the state's budget to be cut in order to city funds or property taxes. Commissioners approved a sample budget for the upcoming year. The budget will be submitted to the citizens of the city for their approval.

The approved budget includes:

1. Increased property tax rates.
2. Reduction in services.
3. Cuts in city staff.
4. Increase in utility rates.

The budget will be presented to the city council for final approval next month.

On Wednesday, April 5, 1994, the City Council will meet at 7:00 p.m. to discuss and vote on the budget. The meeting will be open to the public.

County commissioners have requested a public hearing on the proposed budget. The hearing will be held on April 5, 1994, at 7:00 p.m. in the City Council chambers.

Nursing home ballot approved

The commission approved a bond issue for the construction of a new nursing home. The issue will be submitted to the voters for approval on the next ballot.

The commission also approved a budget for the fiscal year ending September 30, 1994.

Funding cutoff delayed

Texas legislature has delayed the cutoff of funding for the state's nursing homes. The delay will allow time for the legislature to consider additional funding for the homes.

Legislators are expected to consider additional funding for the homes during the special session of the legislature.

Funding for the nursing homes is critical to the operation of the homes.

Randolph Hopkins was added to the PGH board of directors. The addition will bring the total number of board members to seven.
