County appoints new board

Penola County Commissioners have chosen Bill Holder and Mary Decker, respectively, to fill the seats of Richard Pancoast and Jim Goggin, who resigned from the board last month.

The Penola County Commission met Monday at the courthouse square in Penola, and the two nominees were sworn in to serve a four-year term ending in 2023.

"We're very pleased to have these two people," said Commissioner John Thomas, who sponsored the resolution to appoint Holder and Decker.

Holder, a 45-year-old farmer, has been active in local politics for many years. He has served on the Penola School Board and is currently a member of the Penola Township Board.

Decker, a 28-year-old teacher, has also been involved in local politics. She was a candidate for the Penola City Council in 2017.

The Penola County Commission has 13 members. Each member serves a four-year term. The next election for the board is scheduled for May 2023.
Editorial

Hospital breathes life into county

Panola General Hospital is presently planning for a major renovation of its plant. The facility has undergone some improvements in recent years, but the new plan will provide much-needed modernization and expansion. This project is a testament to the hospital's commitment to providing high-quality care to the community. The hospital has been a pillar of the community for many years, and the improvements it is making will ensure its continued success.

Law officers to be honored today

We are pleased to announce that Panola County Sheriff's Office will be hosting a ceremony to honor our law enforcement officers. This is a special occasion to recognize the dedication and service these officers provide to our community. We encourage everyone to attend and show their support.

Letters to the editor are welcome

The Panama Watchman is a forum for public opinion. We encourage all readers to submit letters to the editor. Letters should be brief and to the point, and must be submitted in writing or via email. We reserve the right to edit letters for length and clarity.
