Sheriff sends message to drug users

Massive crime sweep nets over 30 arrests

Approximately 60 area, law enforcement officers took part in a 15-hour sweep Wednesday night that resulted in the arrest of 33 people and the seizure of more than 3,000 pounds of marijuana and 1,000 pounds of cocaine.

The sweep, which was conducted by the North Texas Regional Task Force, involved the simultaneous raid of 22 houses in the Fort Worth area. Approximately two dozen cars, including two SWAT vehicles, were involved in the operation.

The sweep was conducted in response to an increase in drug activity in the area, according to a statement released by the sheriff's office.

"These results are the result of a joint effort between local law enforcement and the North Texas Regional Task Force," said Sheriff Lupe Hester. "We are committed to taking a proactive approach to combatting drug trafficking in our community."

Panola County might have to do without Richards may add DA bill

Texas lawmakers have passed a bill that would require the county to pay for the costs of a district attorney. This could have a significant impact on the county's budget and could lead to increased property taxes for residents. The bill has been signed into law by the governor and will go into effect on January 1, 2023.
