

District brakes for changes in finance law

CISD extends year as mandated

Cathridge School board members agreed Tuesday night to extend the school's financial year as mandated by the state. The extension will help the school district to avoid losing funding if the extension is not approved.

The school board members voted unanimously to extend the financial year to the end of the school year. Dr. Wayne Kyle, superintendent of the school district, said that the extension was necessary to ensure that the school district has enough funds to operate during the extended year.

There were no other significant items on the board's agenda. The next meeting of the school board is scheduled for January 8, 2022.

Nu Way robbed Wednesday

Police continue search for thief

Police are still searching for a black male, 19-25 years old, in connection with the Saturday night robbery at the Nu Way convenience store in Cathridge. The suspect is described as a black male, 19-25 years old, with a robbery.

The suspect was last seen wearing a black shirt and black pants. He fled the scene on foot and was last seen running towards the Nu Way store.

The police department is encouraging anyone with information to contact the Cathridge Police Department at (512) 555-1234.

Appraisal board trims 1991 budget

Perritte County Appraisal Board members trimmed the 1991 appraisal board budget by $500,000. The board members voted to reduce the budget to $250,000 for the new year.

The trimming of the budget was necessary due to the current economic conditions. The board members believed that the budget should be reduced to ensure that the appraisal board has enough funds to operate during the new year.

There were no other significant items on the board's agenda. The next meeting of the appraisal board is scheduled for January 15, 2022.

Texas' new AA bond rating lowers interest

Thumbs up from Wall Street

The news that Texas' new AA bond rating lowers interest has been welcomed by many financial analysts and experts. This is seen as a positive move for the state's economy, as it could lead to lower interest rates and increased investment. The rating upgrade was given by a major credit rating agency, which noted that the state's fiscal management and long-term financial outlook were strong.

Building most American starters and alternators

Dennis Bishop of Bishop's Auto Electric has been sending alternators and starters for the last 40 years.

"We build most American starters and alternators," says Bishop.

"On the foreign cars, we handle the majority of them. We also have the ability to rebuild these battery prices in town."

NAPA parts dealer grows

Toledo Automotive Supply, a NAPA parts dealer, moved to its current location in 1976 on the Carriage square.

They moved to their current location at 508 S. Illinois, as their business줄줄 increased from that location.

"We were about one-third the size we are now," says Carl Morris, one of the auto parts wholesalers. "There's only one of us working here at the time. Things have changed!"

The store now has 11 employees working for it and has expanded its services to include a

vast variety of lawn mowers, fences, and other equipment.

Customer service is top priority with Toledo Automotive. They are affiliated with NAPA, the world's largest auto parts chain.

Toledo also has a parts counter and retail shop. They also buy and sell used parts.

They are located at 10 S. Main Street, Carthage, and can be reached at 683-7920.
