Shriners drive successful

The annual Shriners drive to raise money for the University of Texas Medical Branch was especially successful this year, according to officials.

"The goal was to raise $10,000, but we exceeded that," said Dr. John Thompson, chairman of the drive.

The money will be used to purchase new equipment for the hospital's pediatric ward.

"We are very pleased with the results," Thompson said.

Next year's drive will be held on November 21st.

Shriners boxing

A boxing match was held at the University of Texas Medical Branch to benefit the Shriners.

"We had a great turnout," said Thompson.

The money raised will be used to purchase new equipment for the hospital's cardiology ward.

"We hope to continue this event next year," Thompson said.

Easter egg hunt

The annual Easter egg hunt was held at the University of Texas Medical Branch on April 12th.

"We had a great turnout," said Thompson.

The Easter eggs were filled with candy and toys.

"We hope to continue this event next year," Thompson said.

Ponies beat Lee, but tie nightcap

The high school baseball team lost to Lee High School on Tuesday, but tied with Caddo in their home game on Thursday. The Ponies' pitching duo of Walker and Waites performed exceptionally well, with both players earning their respective records. Walker pitched a complete game, allowing only one run on two hits. Waites also pitched well, holding the opposing team to just four hits.

Two attorneys, Danny Buck Davidson with almost 20 years legal experience and Martin Bland, Jr., have almost 9 years legal experience and are seeking this newly created position.

Mr. Martin Sanford, Jr. says, we need to see a change in the way District Attorney's are elected.

In September, Mr. Sanford asked the County Commission to increase the salary for the District Attorney to $100,000. Mr. Sanford argues that the current salary is not sufficient to attract the best人才 for the position.

PGH expansion cost lower than expected

PGH General Hospital expansion plans have been changed, resulting in cost reductions. Originally budgeted at $5 million, the project will now cost $3.5 million. The savings will be used to improve the hospital's emergency department, which was previously overcrowded. The new emergency department will be completed by next fall.

Did democracy go to highest bidder?

"Frontline" looks at government in crisis

The "Frontline" program on television has been critical of the government's response to the crisis in the Middle East. It has been accused of ignoring the facts and presenting a biased view of events. According to the program, the government's response has been inadequate and has failed to address the root causes of the crisis. The program has been viewed as a propaganda tool by many critics.
