KEEPING HOSPITALS OPEN AND PROVIDING CARE

In the past two years, I've been blessed to have served as the Chairman of the House Committee on Energy and Commerce. Our committee has been at the forefront of efforts to keep hospitals open and provide care to our communities.

A few months ago, I introduced the Emergency Hospital Act, which would provide additional funding to hospitals facing financial difficulties. I'm proud to say that this bill has been endorsed by the American Hospital Association and the National League for Nursing.

I'm also working on legislation to address the issue of healthcare costs. Our committee is considering a bill that would cap out-of-pocket expenses for patients with high medical bills. I believe this is a critical issue that needs to be addressed.

Thank you for your continued support of the legislative process. I'm committed to ensuring that our healthcare system continues to work for all Americans.

Letters to the editor

To the editor:

I want to take a moment to commend our local police force for their hard work and dedication. As a member of the community, I have seen firsthand the challenges they face and the sacrifices they make. I believe it is important for us as a community to support them in any way we can.

Thank you for all that you do.

Sincerely,

Pepper says PCAD is sending out notices

Panola County Animal Control Officer Dave Pepper said that sending out notices for possible impoundment of dogs has increased this year due to the number of stray dogs seen on the streets. Pepper said that several notices have been sent out to dog owners warning them that their dog may be impounded if it is not controlled. He also said that the animal control officers are working hard to ensure that the animals are properly cared for and that they are not causing any harm to the community.

CONSIDER IT AN OUTDOOR GARBAGE DISPOSAL.

There are safety lessons we could learn from mother nature's garbage disposal. Like water, strong streams prevent debris from building up, but also disperse materials evenly. A sound equipment will break down food waste more effectively, making it less attractive to wildlife. A good garbage disposal system will improve water quality by reducing the amount of dissolved organic matter in surface waters and streams. A proper disposal system will prevent the spread of disease organisms, reduce the risk of human illness, and decrease the potential for contaminating groundwater. A well-designed garbage disposal system will also provide a cost-effective solution to the disposal of waste.

Lon Morris escapes cellar with stunning upset

Ponies bow, 5-4; fall from second

The two weekend teams in the Northeast Texas Conference were the Texarkana Indians and the Texarkana Indians. The Ponies were the home team for their game against the Indians. The Ponies won by a score of 5-4, which put them in second place in the conference standings.

The Ponies were led by their pitcher, who threw a complete game. The Indians were led by their catcher, who hit a home run in the fourth inning. The Ponies' catcher also drove in two runs with a double in the sixth inning.

It's A Fact

Ponies bow, 5-4; fall from second

The Ponies were leading 3-2 going into the seventh inning, but the Indians scored two runs in the eighth inning to take the lead. The Ponies were able to score two runs in the ninth inning to tie the game, but the Indians won in the 10th inning with a walk-off single.

Albarado's 17th leads NJCAA
Four homers help Panola gain split

The NJCAA baseball game between Albarado and Panola was a close one, with Albarado winning 17-16. The game was held at Panola College in Carthage, Texas. Albarado had 17 hits in the game, while Panola had 16. Albarado's 17th home run of the season was the deciding factor in the game.

The game was filled with exciting moments, including four home runs by Albarado and four by Panola. Albarado's catcher, who hit a home run in the second inning, was the hero of the game, driving in four runs with his home run. Panola's catcher, who hit a home run in the third inning, also had a big day at the plate, driving in three runs with his home run.

The game was a thrilling one, with both teams playing well and making great plays. Albarado's pitcher, who allowed only one run in six innings, was the star of the game, while Panola's pitcher, who allowed only seven runs in seven innings, was also impressive.
