Funeral held Tuesday
Accident claims youngster’s life

Panama County Sheriff’s office said that 10-year-old boy Tuesday was an accident.

Raymond T. Thomas, the son of Dwayne and Debbie Thomas, was killed in a single-vehicle accident on Tuesday, according to the Panama City Police Department.

Debbie Thomas, who was driving on State Road 111, said that her son was not seated in the back seat of the car.

Debbie Thomas said that her son had been to the hospital earlier in the day for treatment of injuries sustained in a previous accident.

Dwayne Thomas said that his son had been to the hospital earlier in the day for treatment of injuries sustained in a previous accident.

Carthage Book Club meets
At a meeting of the Carthage Book Club, Mrs. Harry N. Sather, president, and Mrs. J. B. Sather were hostesses, and were in charge of the refreshments served. Mrs. Sather arranged for the room and the refreshments served. Mrs. Sather arranged for the room and the refreshments served.

The presentation made by the guest speaker was on the life of the author, Mark Twain. The presentation was well received by the members of the club and was followed by a discussion of the book "The Adventures of Tom Sawyer." The discussion was lively and interesting, and the members enjoyed sharing their thoughts and opinions on the book.

In conclusion, the meeting was a success and the members left feeling enriched by the sharing of ideas and knowledge. The Carthage Book Club continues to provide a platform for members to engage with literature and exchange their perspectives, fostering a love for reading and learning in the community.

Check out our "Anniversary Sale" in-store. Select styles and colors may vary by store.

ELECTION

COUGAR.

CITY

COUNTY

MOM

The construction of the new Panola City Hall, located on the corner of 2nd and Church St., began on April 20th. The City Council approved the plans for the new building, and the work is expected to be completed by early summer.

MOM

The City Council also discussed the need for a new police station. Council Member Johnson proposed a location on the corner of Third and Main St., but the idea was met with mixed reactions from other council members.

PGH

GAS

Gas prices continue to rise, with the average price in Panola County now over $2.75 per gallon. Some residents are calling for stricter regulations on the oil industry to prevent further price increases.

CITY

The City Council plans to hold a public hearing on the proposed budget for the coming fiscal year. The hearing is scheduled for May 15th at 7:00pm in City Hall.

CITY

The City Council approved the installation of new streetlights along the main thoroughfare in the city. The lights will be funded through a grant from the Department of Transportation.

CITY

The City Council also approved the purchase of a new fire truck for the Panola Fire Department. The truck will replace the old one that is no longer able to meet the department's needs.

PGH

GAS

Gas prices continue to rise, with the average price in Panola County now over $2.75 per gallon. Some residents are calling for stricter regulations on the oil industry to prevent further price increases.

FmHA takes leadership role in fight against aids

FmHA takes leadership role in fight against aids

FmHA takes leadership role in fight against aids

In an effort to aid the fight against AIDS, FmHA has taken a leadership role in supporting numerous activities that promote awareness and prevention of the disease. The agency is working closely with other federal agencies, as well as community organizations, to ensure that the needs of those affected by AIDS are met.

FmHA has also been involved in funding research and development efforts aimed at finding a cure for AIDS. The agency is committed to supporting innovative projects that have the potential to make a significant impact on the fight against this deadly disease.

Which would YOU rather have?

If you're tired of the federal government taking you for a ride, then perhaps you should think twice before signing that contract with your local government. The government will often use these contracts to take your money and then default on the payments, leaving you with a hefty bill.

Instead, consider investing in a secure, government-backed investment like a bond. These investments are not only safer, but they also offer a higher return than most other investment options.

Which would YOU rather have?

- Secure government-backed investments
- Risky federal government contracts

Calendar of events

On Thursday, May 10, there will be an open house celebration at the Carthage Memorial Library. The Library is located at 103 W Main St. The event will feature refreshments and opportunities to learn about the services and resources available at the library.

Why You Should Join:

- No out-of-pocket expenses for ambulance use, whether on an emergency or transfer basis. This means extra peace of mind for Carthage and Panola County residents, especially since Medicare and most insurance companies will cover only a portion of the average $400+ ambulance bill.
- 24-hour advanced life support trauma care.
- Membership coverage for you and your family (all legal residents of your address) for only $48 per year.
- Emergency medical transfer to any hospital.
- Comprehensive membership coverage throughout the county plus the entire East Texas Medical Center EMS territory...more than 7,000 square miles of East Texas.

The membership deadline is Friday, May 15.
To join today, call 1-800-772-8509.

Glaze wins ninth, 2-0; Leggett drives in only runs

Carthage nears title with shutout

Glaze earned his ninth victory of the season after pitching a two-hitter Tuesday night at Mary Heights Stadium.

Carl Smith to the plate and Leggett was at the helm of the game.

Leggett's home run was the first run of the game, and he added another on a sacrifice fly to score Smith.

Ponies scored three runs in the fifth inning, which was the only runs in the game.

Leggett's solo shot in the fifth inning provided the game-winning run.

Next game:

Ponies' start at the plate and take the lead with a run in the third inning.

Tony Montgomery

Ponies' start at the plate and take the lead with a run in the third inning.

Taking the heat off summer driving

The last thing any automotist wants during the hot summer months is to be stranded on the road because his or her car has broken down. Moreover, if his or her car has a broken cooling system, it may be virtually impossible to repair, and costly, permanent repairs are inevitable.

It is often difficult to diagnose and correct minor problems with your car's cooling system, but the following hints can save you some of the expense of automotive maintenance that may require your attention.

1. If your engine is hard to start, create a lot of gas, or both, check your spark plugs and ignition system.

2. Check your cooling system, including all hoses and connections, and ensure it is properly filled. This will cost you nothing.

3. Check your fans and thermostats, and have them replaced if necessary.

Too much antifreeze can be damaging

The fear of a frozen engine during the worst of a summer heat wave has striated many a country club owner, especially in areas where temperatures plummet during the winter. The antifreeze in your car's radiator, if allowed to freeze, will cause your engine to seize up and become damaged.

If you are considering taking your car to a mechanic for a major engine repair, you may want to know that antifreeze is almost always the cause. This is because antifreeze can cool your engine down to -10 degrees centigrade, but it is not possible to make an engine operate below 0 degrees centigrade. The coolant in your car's radiator is probably the highest temperature liquid in your car, and it is the temperature that is most likely to cause your engine to seize up.
