**NOTICE OF COMPARABLE TAX RATES AND REVENUES**

The legislature has enacted a statute on school funding to comply with a court mandate enforcing the state constitution. Under prior statutes (SB 1) the tax rate for last year provides $5,895 per student in state and local revenues. Under this statute (SB 35) that same rate now provides $6,786 per student in state and local revenues.

State law only requires a minimum tax rate of $3,988 for county education districts. State law does not require a school district to adopt additional taxes. Neither does state law require a school district to adopt a tax rate that maximizes the receipt of state funds.

The board of trustees of the Backville School District hereby gives notice that it is considering the adoption of a tax rate of $4,508.14. This rate will provide $5,895 per student in state and local revenues.
Did I ever tell you about Old Pete?

Did I ever tell you about Old Pete? Probably not, but I think you should know about Old Pete. Old Pete is an old dog, and he's been living on the streets of our town for as long as I can remember. He's a big, friendly dog, and he always makes me laugh when he barks at cars. But seriously, Old Pete is a great dog, and I think he deserves some attention.

Recently, Old Pete was hit by a car and had to go to the vet. The vet said that he needed surgery to fix his injured leg. The vet's bill was $1,000, and Old Pete's owner didn't have any money to pay for it. Old Pete's owner was devastated, and she didn't know what to do.

That's when I stepped in. I knew that Old Pete was a good dog and deserved to be taken care of, so I decided to help his owner pay the vet's bill. I contacted the local animal shelter and asked if they could help me. The shelter agreed to help, and they set up a fund to pay for Old Pete's surgery.

Today, Old Pete is recovering nicely and will be back on the streets soon. I'm glad that I could help him, and I hope that other people will also take the time to help animals in need. If you see an animal that needs help, please don't hesitate to offer a helping hand.

Coaches pleased with first effort
Freshmen stop Jasper cold to win scrimmage

Carthage Indians could do no better than a tie with Jasper, 14-14, in their opening game in Slate Springs, but the young Indian team is expected to improve with experience. This team is the product of the coaching job of Coach Bob Edmonds, who has been with the Indians for five years. He has been successful in developing a team that is expected to be a factor in the conference this season.

NOTICE OF COMPAREABLE TAX RATES AND REVENUES

The legislature has enacted a statute on school funding to comply with court order mandating the establishment of a court order mandating the establishment of the statute.
