Facility undergoes transformation

The new runway at the Panola County Airport underwent its first test flight Tuesday. The new runway is expected to relieve overcrowding at the old airfield and will accommodate larger aircraft.

The new runway is 3,000 feet long and 75 feet wide. It is located near the old airport and is expected to be completed by the end of this year. The old runway is 2,000 feet long and was unable to accommodate larger aircraft.

The new runway was officially opened to traffic on Tuesday, according to Kicklighter.

Remembering Tex...

Mrs. Bill Smith, one of the founders of the Panola County Enquirers, has died at the age of 80. Mrs. Smith was a dedicated supporter of the newspaper and was a fixture at many of its events.

School issues dominate speech

At the recent school board meeting, the discussion centered around issues such as funding, curriculum, and teacher salaries.

While some board members expressed concerns about the budget, others argued for increased investment in technology and infrastructure.

Academic boosters will meet Tuesday

The Academic Boosters will meet Tuesday at 7 p.m. in the school cafeteria. The meeting will focus on fundraising and planning for upcoming events.

Ritter Days approaching

The annual Ritter Days festival will take place this weekend, featuring a variety of events and activities.

The festival kicks off on Friday with a parade and continues through the weekend with concerts, food vendors, and more.

SCHOOLS, banks close for holiday

Many schools and banks will be closed for the holiday weekend, including Christmas Day and New Year's Day. Those planning to travel are advised to check with local authorities for any travel restrictions.

Carthage mauls Eagles, stays perfect

By REBECCA MCCARTY

Carthage College football coach Don Fisk said his team couldn't have asked for a better opening game this season.

The Redmen overpowered the Kohler Community College Eagles Saturday afternoon to remain perfect for the 1992 season.

"I'm real happy with the way we played," Fisk said. "Carthage is just a better team than Kohler.

"We were able to dominate the game from the beginning on both offense and defense. It was a really good performance by all our players.

"Our coaching staff deserves a lot of credit for the effort put in during practice this week. We were able to execute our game plan perfectly.

The Redmen used a combination of power running and a balanced passing attack to score three touchdowns in the first half.

"I'm proud of our offensive line and wide receivers," Fisk said. "They were able to get open downfield and make big plays for us.

"Our defense was stingy and we were able to hold Kohler to just one touchdown in the second half.

"Overall, it was a great start to our season and we're looking forward to continuing our winning ways.

"I know our fans are really excited about this team and we're hoping to continue winning games in the coming weeks.

The Redmen are now 3-0 on the season and will look to continue their winning streak next Saturday against a tough opponent.

"We have a lot of work to do this week in practice," Fisk said. "But we're excited about the opportunity to play another great game next weekend.

"We're going to enjoy this win today but we're looking forward to the challenge of facing our next opponent.
