Students celebrate achievement

By LAURA GRIFFIN

One million!

After spending an in-class hour discussing how to raise the money to refurbish the Panola Primary School, Miss Smith and her class decided to hold a school-wide event to raise the money. The goal was set at $1 million. The students collected money from parents, friends, and family members and were able to raise the money in just 2 weeks.

Local official affirms chief opposition to small county

A local official has been concerned with the proposed new survey of the county, claiming it could lead to the loss of tax revenue. The official has stated that the survey would not be cost-effective and could lead to the loss of tax revenue. The survey would be a waste of money and could potentially ruin the county's economy.

What to choose
