LET US COUNT OUR REAL BLESSINGS THIS HOLIDAY SEASON

Remember, on this Holiday Season, to count your blessings, center what may. It seems so strange, yet it’s true. Hard times can be a blessing, too. Resisting us to see our family and friends whenever. Neighbors cannot take away these values that are here to stay. And now, during the feast, it’s in appreciation of pets, all of the happy times we’ve shared, and all of the troubles we’ve been spared. To gratitude, let’s be blessed for every day that we’re allowed, a blessing with its own reward, so let’s give thanks unto the Lord. — Gloria Novak
