The trustees were schooled by the CISD administration to teachers and administration and agreed that no school should begin before Aug. 23.

"The calendar is very important because it will also help us to make a good schedule for the 1993-94 school year," said Board Vice Chairman C. R. Cliburn.

The trustees also discussed the possibility of holding a second reading of a policy on special education and a proposal on a new calendar for the 1993-94 school year.

HELP YOUR HOUSE OF WORSHIP; IT'S BEEN A GOOD FRIEND

If you think about it, your House of Worship is the best friend you'll ever have, because it's a safe, weather-proof friend. It's the place to go when you're in some kind of trouble, to seek God's guidance. It's also the place to talk to your deacon, who may well have some good advice to give you, and will pray for you. However, you ought to be prepared, and times of trouble may be no means the only times we should stand for our House of Worship. When things are going well, we should go there and thank the Lord for our blessings. Moreover, we should see what we can do to help, to the extent of our ability and physical condition. For example, doing or making cards, Your House of Worship has indeed been your friend, and see if you can be a friend in return.

-Joshua G. Holland
