Blaze strikes gas plant

There was no heat to make the midnight hour in Panola County Friday, as at 1 a.m. the Fire Marshal reported that a natural gas plant on County Road 79, near Sardis, had received a fire. The discovery resulted in the abandonment of the gas plant, effectively placed the area in the dark for the next 24 hours. Gas was being supplied from a distant point.

Letter to the editor

Dear Editor,

I am writing to praise the fabulous job that the City of Panola is doing in keeping our streets clean and well-maintained. The city workers have been working tirelessly to ensure that our streets are free of litter and debris. I have noticed a significant improvement in the cleanliness of our streets since the new program was implemented.

Sincerely,

[Your Name]

Weight Loss Surprises

Researchers

Researchers have found that weight loss programs can lead to unexpected surprises. For example, a study published in the Journal of Clinical Endocrinology and Metabolism found that weight loss programs can lead to a decrease in bone density. Other studies have found that weight loss programs can lead to an increase in the levels of certain hormones, such as cortisol.

Prospects of a run at title are dim

The College High School boys' basketball team is currently in a three-way tie for the lead in the Conference. The team is 14-2 and has a chance to win the title if they can win their remaining games.

The team has a tough schedule ahead, but they are confident they can win the title. "We have a good chance to win the title," said team captain. "We have a good team and we are confident we can win the title."
