Chamber banquet slated for Monday

It's your chamber of commerce, increasing president Tommy Moore says, and by getting involved, you can make things happen.

That's the line on the Polk County Chamber of Commerce. Moore will be hitting the road this week to kick off your Monday with the 40th annual banquet. The event will be held at 7 p.m. at the Carthage High School Commons Area. Dinner will be served, followed by the musical performance by the Light City Strings and the presentation of awards.

Moore says a major goal for his presidency of the chamber is increasing communications and getting new people involved in the community.

"The chamber," Moore continues, "is a tool of the community," he notes. "Our only location is to serve the people of Polk County, to try and make Polk County a better place to live, work and vacation.

Chamber members and those in attendance are getting involved in the activities that can benefit the chamber, and to share their ideas and suggestions for the chamber with the chamber leadership.

In addition to welcoming the officers and board members, the chamber banquet will also be the setting for the announcement of the recipients of the Chamber of the Year and Employee of the Year awards.

Patterson sentence shows DA’s resolve

A Carthage man was sentenced to 15 years in prison this week for his part in a plot to kidnap and kill the sheriff.

Christopher John Patterson, 17, was sentenced by 13th District Judge Charlie C. Bell after he entered a guilty plea to possession of a firearm in connection with a conspiracy to commit murder.

Patterson’s plot was part of an agreement worked out with Patoka County Chief Deputy Darren Blackwell to plot a similar case against the then 15-year-old Patterson.

The new convicted DA and his staff have had a busy first month on the job. In January, evidence was presented to the Polk County Grand Jury which resulted in the indictments of the two 15-year-old suspects.

The model has also been a busy one for the district attorney’s office as well. The DA’s office has filed nearly 300 cases since the beginning of January.

"The office’s work this week has been a busy one,” said district attorney’s office spokesperson.

FAITH CALLS LOVE MORE THAN CARDS ON VALENTINE'S DAY

Now very soon will come the day
That's been established before.
Our love to someone very dear
With feelings that we're ready to show.
Jesus shared his love in this way
On earth, that we might know.
Let's live as Jesus did and show
His love by flattering in our love.
For someone known to be in need,
It's something better to do.
If it means being with the poor,
To show the love of Jesus to you.
All this is love, whose true design
Is more than just a Valentine.

Golden Corral locally owned, operated

Golden Corral Family Steak House is owned and operated by Roy and Carolyne Thompson. They officially took over the business on June 15, 1992. Thompson began in the restaurant business in the age of 16. Since that time, he has worked for several firms, progressing up to the level of manager.

Before moving to Panola County, Thompson lived in the West Texas area, where he served a manager for a fast-food restaurant for 10 years. Through the accumulations of that time as well as many awards earned, Thompson was offered the Carthage store.

Although they have made several changes, Golden Corral still offers the same delicious food and friendly service customers have become accustomed to. The family-owned and operated store offers an expanded salad bar featuring a large variety of salads, along with several daily specials. Diners can enjoy the same wholesome, flavorful menu as in other Golden Corral locations around the country.

The newly expanded salad bar features a variety of fresh vegetables, fruits, and cheeses. A choice of soups, salads, rice dishes, and a selection of desserts are available daily. The menu also includes a variety of beverages, including tea, coffee, and juice.

Roundup offers food, fun for all

A celebration of historic proportions was underway on the east side of Carthage, as the Panola County Roundup food festival began on Wednesday. The event was held Wednesday night and continued on through Saturday, the last day of the festival. Although the event was not the first round of food offered at the Roundup, it was the first night of the event. The event is sponsored by the Panola County Chamber of Commerce.

The Roundup was held at the Panola County Fairgrounds, which took place for 12 years. Roundup chairman Tommy Moore said that the Roundup food festival will continue for the next 10 years, as long as the demand for food remains high. He said that the food festival is a way to bring people together and enjoy a good meal. The festival was open to the public, and all food was sold on a first-come, first-served basis.
