Beckville dedication packs house

With the sounds of the Beckville High School Marching Band filling the air, graduates of the Class of 1974 gathered at the Beckville High School Alumni Banquet on Saturday night, November 14, 1974. The event, sponsored by the Beckville High School Class of 1974 Alumni Association, had the atmosphere of a family gathering as alumni reconnected with former classmates and staff members.

Early voting under way

Early voting for the May 14 election will begin on March 23, 1976, and continue through April 27. Residents of the county may vote at the County Courthouse in Beckville, or at the Post Office in Beckville. The polls will be open from 9 a.m. to 5 p.m. on weekdays and from 9 a.m. to 1 p.m. on Saturdays.

Audit, Rhodhoofer approved

The audit of the county treasurer's accounts for the fiscal year 1974-1975 was approved by the county commissioners at their regular meeting held on November 18, 1975. The report was submitted by Rhodhoofer, the county auditor, and was found to be accurate and complete.

Eight arrested with marijuana

Eight individuals were arrested in connection with a marijuana operation in the county. The suspects were charged with possession of marijuana, and were booked into the county jail. The investigation is ongoing, and further charges may be filed as evidence is gathered.

Newsbriefs

Board meetings

Pauley College's Board of Trustees will hold its next meeting on Wednesday, September 28, 2005, at 7:00 p.m. in the Board Room of the Administration Building. The meeting will be preceded by an open forum at 6:30 p.m. for any interested parties to present their views on the college's budget, facilities, and other issues. The public is invited to attend.

County approves contract changes

The county commissioners have approved several changes to the county's contracts with various vendors. The changes include increases in the amounts payable to the vendors, as well as modifications to the terms and conditions of the contracts. The changes were recommended by the county auditor and were found to be in the best interests of the county.

County opposes salt water well

The county commission has opposed the construction of a salt water well in the county. The well would be used to supply water for the county's water treatment plants. The county is opposed to the well due to concerns about the quality and quantity of the water that would be produced.

Several other issues were discussed at the meeting, including the need for additional funding for the county's public safety agencies, the distribution of federal funds to local communities, and the need for improvements to the county's roads and bridges. The county commissioners were unanimous in their support for these initiatives and the support of the county's residents.

The meeting concluded with the adoption of several resolutions, including one expressing support for the county's firefighters, another honoring the county's teachers, and a third recognizing the county's veterans. The county commission adjourned the meeting at 9:00 p.m., with plans to hold its next meeting on November 15, 2005, at 7:00 p.m. in the Board Room of the Administration Building.

Are school options exhausted?

State Capitol: \( F(5, 10) \)

TENTATIVES: Districts in districts to change

Chairman Bill Roland, R-DeSoto, co-chairman of the state Capitol lawmakers, says the Legislature is considering replacing the current system of school districts with a single districts system, similar to the one in effect in Texas. The system would allow districts to pool their resources and share services, such as transportation, technology, and maintenance.
