PANOLA COUNTY MERCHANTS PROUDLY SALUTE YOUR ACCOMPLISHMENTS!
AFTER SCHOOL IS OUT, YOUR EDUCATION SHOULD CONTINUE

You have received your diploma from high school, college, or whatever level of education you voted to obtain. And now you are about to embark on the vocation for which you have prepared yourself. However, your acquisition of knowledge should not stop there. It is now time for you to learn something about the Lord, and this wisdom which God has given you for reasons of his own. This other school you should attend consists of only one-a week course. On your own at worst, unless you shrewdly avoid enroll in the accompanying little class. You will learn about this universe that God made, of which you are a vital component. This is much a part of your education as your formal schooling, and it is a course in the field from which you will never graduate.

"Give instruction to a wise man, and he will be yet wiser; teach a righteous man, and he will increase in learning." - Proverbs 9:9

The desire of knowledge increases with the acquisition of it. - Lucretius
