CISD brass reverses graduation policy

The CISD board of directors voted 4-3 to allow seniors to participate in commencement ceremonies unless they had completed all graduation requirements. This policy change was reversed.

The announcement was made Monday night at the CISD board meeting. CISD officials said they had not received any complaints from seniors about the policy change. The board decided to reverse the policy after hearing concerns from parents and students.

The new policy will allow seniors who have completed all graduation requirements to participate in commencement ceremonies. CISD officials said they would provide more information about the policy change in the future.

In the event of storms, seniors will be allowed to participate in commencement ceremonies at their school district's discretion. The CISD board of directors voted unanimously to reverse the policy change.

The Lottery has contributed more than half a billion dollars to the state's General Revenue Fund. The Lottery's contribution, while far exceeding all original projections, is only 1% of the state's enormous General Revenue Fund. This fund helps support an endless list of state-run programs, such as health and human services, parks, public safety, public schools and prisons. These numerous other state programs benefit in some small way every time you scratch a ticket or pick six numbers.

With record sales, groundbreaking technology and advanced schedule start up dates, your Texas Lottery has set new standards for other state lotteries to follow. Texas is the first state to pay a million dollars cash every week for 14 straight weeks to each of the Grand Prize Drawing winners. The first to market completely recycled and recyclable tickets; and the first to provide on-line LOTTO computer terminals for 5,000 retailers at the point of sale throughout the state.

Pierce can't overcome miscues as season ends

Gary gives Evadale 7-4 win

LAHCUP—Gary was down 5-4, but came back to win a thriller. The key came when Gary's pitcher, Chris Adams, struck out the side in the top of the ninth inning, preserving the tie and allowing the hitting to do the rest.

With the win, Gary moves into the lead in the South Central League, and now looks to the playoffs for the championship. The team is already planning for the post-season, with a strong pitching rotation and a solid batting lineup.

Blazer wins late; Chits roll by 12-2

Mission Esteem's second annual round-robin tourney was held recently at the U.S. Army's Fort Hood, Texas. The tournament featured five teams from across the country, including the Blazer, which represented Texas A&M University. The Blazer broke the game open in the fifth inning with a three-run home run by Brad Williams, who also scored the winning run.

Chits, a team from Chilton, Alabama, won the tournament with a 12-2 win over the Blazer in the championship game. The Chits got on the board early, scoring three runs in the first inning, and never looked back.

OUR HEROES GAVE THEIR LIVES TO KEEP OUR NATION FREE

Throughout our country's history, our precious state of liberty was under threat by many foes, and as our armies did their part to protect it, we've been compelled to go to war, since freedom is worth fighting for. And attempts at peace had failed, our fighting forces to prevail. These servicemen obeyed the call, and were prepared to give their all. So many of them paid the price, and made the final sacrifice. From lessons of your chosen creed, remember their heroic deed, and praise them for their gallantry. They gave their lives to keep us free.
