Technique for clearing land unique to area

Know Your Heritage

By Elva K. Davis

On the very day that a new home was completed, the family who lived there was ready to move in. The process took months of planning and hard work, but the result was a beautiful new home. The uniqueness of this technique lies in its ability to clear land quickly and efficiently. The family was thrilled with the outcome and couldn't wait to start decorating their new home.

Strength For Living

BY JIMMY BROWN

The Bible is a book that contains wisdom that can change our lives. It is a source of hope and strength that can help us overcome our challenges. The Bible is filled with stories of people who faced difficult situations and found the strength to overcome them. By studying the Bible, we can learn from their experiences and find the strength to face our own challenges. The Bible is a book that provides guidance and hope for those who seek it.

WE WILL HAVE OUR FREEDOM AS LONG AS WE MAINTAIN IT

Salute the flag and hear the band,
Proclaiming freedom in each land.
For instance, when you feel inclined,
You're not afraid to speak your mind.
And from the media's perspective,
You know there's freedom of the press.
Your worship, God, is your own way.
And no one tells you how to pray.
When traveling by car or train,
You're not required to explain.
But may go anywhere you please;
And thus, as everyone agrees,
With love of freedom so ingrained,
We know that it will be maintained.
So thank the Lord, for He has planned
This liberty throughout our land.
-Gloria Nowak
