Accident injures two cheerleaders

Two Pamola College cheerleaders were injured in a car crash near the St. Joseph Cemetery. The collision occurred on South Road between 10th Street and 11th Street. The accident involved a sedan and a pickup truck. The details of the crash were not immediately available.

Potter was transported by helicopter to the Springfield Hospital. She was later flown to the Springfield Medical Center for further treatment. The other cheerleader, who was also transported by helicopter, was later flown to the Springfield Medical Center for treatment of her injuries.

BISD classes start Friday

This is the first day of class for BISD students. The day will feature a variety of classes and activities to help students get ready for the school year.

Police station perplexing city

The Cape Coral Police Department has announced the construction of a new police station in the city center. The station will feature modern facilities and be equipped with advanced technology.

Airport settles for water filter

Various water problems centered around the Cape Coral airport have been resolved with the installation of a water filter system. The system will help to ensure the quality of the water used at the airport.

Mazzaro wins honors

Cape Coral Police Officer has been recognized for his work in the community. The officer was awarded the Officer of the Year Award by the Cape Coral Police Department. He was chosen for his dedication to the community and his commitment to public service.

Blaze destroys house

A house fire has destroyed a residence located on West Avenue. The cause of the fire is under investigation. No injuries were reported.

Teens make pilgrimage, celebrate mass with Pope

The St. Williams 11th grade class took a pilgrimage on Aug. 19th, leaving 6:00 a.m. and traveling 66 miles to the Basilica of the National Shrine of the Immaculate Conception in Washington, D.C. The bus left Heritage High School at 6:30 a.m. and arrived at the Church of Our Lady of Guadalupe in Washington at 11:00 a.m. After mass, the students boarded the bus and returned to Heritage High School at 6:30 p.m.

The kids say they are riveted by their trip to the shrine. "It's an eye-opener," says one student. "I never thought I would see such a magnificent building." The students say they are excited to be able to visit the shrine and learn about the history and culture of the Catholic Church. "It's an amazing experience," says another student. "I never thought I would be able to see a place like this in person."

**How Many Bags of Soil Should We Use?**

In order to achieve the best possible results, it is important to use the right amount of soil. Underwater plants require two to three bags per gallon, while silt and coral require three to four bags per gallon. It is important to follow the instructions provided by the manufacturer for the specific type of plant you are growing.**
