Taylor fire injures four

Cause under investigation

A local man was hospital-ized following a fire at Taylor Sewerage Disposal Company Fire-works Plant.

Brian McKechnie suffered sev-eral degree burns in the fire and was admitted to the local hospital. His condition was described as stable and he appeared to be in good condition overnight.

Three other Taylor employees - Charlie Smith, Jeffery Williams and Wayne Hall - were injured in the fire and were rushed to the hospital. They were treated for minor burns and released the next day.

We will just focus on the fire itself.

The fire started in the company's warehouse and quickly spread to the nearby buildings. The flames were reported to have been visible for miles around.

Investigation is under way, how-ever, to determine the cause of the fire and the exact number of people injured.

Taylor expressed sympathy to the victims and their families. He said, "We're thankful for everybody and everything they've done." He said.

New Briefs

Camp Fire meets new members

Camp Fire Boys and Girls Club held an open house for new members and their families on Monday at the club house. The event was well attended and the club hopes to expand its membership.

CISD adopts tax rate Friday

The Board of Education of Cushing Independent School District will meet on Friday, Sept. 10, at 4 p.m. to consider adoption of the 1993-94 tax rate.

On the agenda is setting the district's tax rate for the 1993-94 fiscal year.

The board will also discuss the preliminary budget and property tax changes, among other items.

Diabetic group offers support

Living with diabetes means managing your life. Adapting to a new regimen of diet, exercise, and medications can be difficult for some people. A new support group has been formed for individuals with diabetes and their families.

Diabetes and their families and friends have encountered it, however, to find the answer to this question and to help living with diabetes. Diabetes Awareness of Cushing provides the an-nual support for diabetes awareness.

At the first meeting of each month at Patrice College, it was learned that the diabetes support group has a meeting for the current issue on the agenda.

Bill Apps, who has lived with diabetes for many years, said it is important for diabetic to learn as much as possible about their disease.

"Diabetes affects so many parts of your body - the skin, the eyes, the heart," said Bill Apps, "it's important to know as much as possible about diabetes.

Exploding shells wound local man

A local man was injured when fireworks exploded near his home. According to police reports, the man was hit in the head by a exploding shell.

Exploding shells are a frequent occurrence during the summer months. Police are urging residents to be cautious when handling fireworks.

Road closed for rail repairs

Trains traveling on South Central Mainline will be delayed as tracks are repaired. The road will be closed to traffic from 9 a.m. to 5 p.m. for the duration of the repairs.

Traffic delays may be expected as trains are rerouted. Drivers are urged to plan their routes accordingly.

Sixteen students master TAAS tests

The school board is proud to announce that sixteen students have passed the TAAS test. These students have worked hard for months to prepare for the test, and their success is a testament to their dedication and hard work.
