FAITH PRAISES THE TREATMENT OF OUR SENIOR-CITIZENS

There has never been a better time to be a senior citizen. They can keep busy in all sorts of ways, continue to have fun, staying fit, and getting expert help and advice.

At the senior centers, located in every small city, they offer a delicious low-cost lunch nearly every day, a place to meet friends, or pool, listen to guest speakers, watch movies, participate in aerobics classes, and occasionally dance. On a regular basis, professionals appear to offer advice on legal matters, such as wills, health insurance, etc., as well as preparing tax returns.

Our house of worship keeps these senior citizens young by giving them pleasure, alongside their children and grandchildren, and removing their anxiëties about the future.
