Family Practice Clinic
one step closer to reality

The second floor of the new Panola General Hospital is one step closer to reality. The second floor will be used for patient services, with the first floor serving as retail space. In addition to housing the patient services, the second floor space will also house the Family Practice Clinic.

Family Practice Clinic

The Family Practice Clinic will serve two purposes. It will be used by the current patients of the clinic as well as those coming from outside of the area. The clinic will be open to the public and will be available to anyone who needs medical care.

The clinic will be open Monday through Friday, from 9:00 AM to 5:00 PM. Walk-in appointments will be available, and patients can call ahead to schedule an appointment. The clinic will also be open on Saturday mornings from 9:00 AM to 1:00 PM.

The clinic will be staffed by a team of doctors, nurses, and support staff. Patients can expect to receive high-quality care in a comfortable and welcoming environment.

The clinic will offer a wide range of services, including preventive care, acute care, and chronic care management. Patients will be able to receive screenings for cancer, heart disease, and other common health conditions.

In addition to the Family Practice Clinic, the second floor will also house other patient services, such as radiology, laboratory, and physical therapy. These services will be available to both inpatients and outpatients.

The hospital officials are confident that this new clinic will be a welcome addition to the community and will provide much-needed services to those who need them.

The hospital officials are also excited about the possibilities that the second floor will bring. They hope that this new clinic will be a step towards improving the health and well-being of the community.

The hospital officials thank the patients who have been so supportive of the hospital during this time. They look forward to serving the community for many years to come.

The hospital officials encourage the community to use this new clinic and to take advantage of the services that are being offered.

Hawthorn is an established family-run funeral home that has some new, modern ideas about progress.

In the earliest recorded times, a funeral ritual's purpose was to properly send the deceased on the journey into the next life. Today, however, experts agree that the benefits of a funeral can be seen for the families and those left behind. That's why, although the mission of the oldest area funeral home, we supply the latest in support. Like complimentary guest services as well as other grief-related resources. We believe showing ongoing dedication to those who have helped our profession is just the right thing to do.

Cats burn down nets long distance for win

JACKSONVILLE - Lee High's Mike Hargrove sank a go-ahead three-pointer with 1:25 left in the fourth quarter to give the Bobcats an 80-77 win over Panola at the Jacksonville High School gymnasium Tuesday evening.

Panola had led throughout the game, but the Bobcats pushed their lead to 24 points late in the second half. However, the Bobcats started dropping in three-pointers, and their lead dwindled to 10 points midway in the third quarter.

Hargrove's triple put Panola up 71-68, but Bobcat senior forward Tristan Brown answered with a three-pointer and a steal to put his team up 74-71 with 45 seconds left in the game. Hargrove answered with a basket and a foul line shot to give the Bobcats an 80-77 win.

The Bobcats fell to 2-9 overall and 1-5 in District 13-AAA, but they stayed in contention for the second-place spot.

"We played well despite the loss," Panola coach Stan Cordrey said. "We played well on both ends of the floor, but we lost the game in the final seconds. Mike Hargrove hit a big shot to put them up, and we fouled him on the free-throw line. We worked on our defense all week, but we couldn't stop them from hitting threes."

The Bobcats are home next Tuesday to take on Townville, who is 0-9 in the district.

Panola leads the district 1-4, one game behind second-place Townville. The Bobcats are currently 2-9 overall and 1-5 in district play.

Turnovers kill locals in dogfight at Kilgore

KILGORE — Carthage coach Larry Johnson had already prepared for the game against Kilgore. He knew the Bulldogs would be tough, but he didn't expect them to score 70 points.

The Bulldogs scored 70 points in the game, including 15 three-pointers, to defeat Carthage 59-70. The Bulldogs are now 7-4 overall and 3-1 in District 13-AAAA, while Carthage is 5-6 overall and 2-1 in district play.

In the first half, Kilgore scored 31 points, including 15 three-pointers. The Bulldogs led 31-19 at halftime.

Kilgore junior guard Kameron Cooper scored 20 points in the game, including 10 three-pointers. Cooper was named the tournament MVP.

The Bulldogs' defense was also impressive, holding Carthage to just 39 points in the game. Carthage had 15 turnovers, including 11 in the first half.

Family lends notes to genealogy library

Know Your Heritage

The book includes an index with the first names sorted alphabetically and a subject index. It also has a section of family trees, including illustrations of the home of the families in the book. The book concludes with a dedication page.

People have different ideas about prayer, including the purpose of it. Some believe it is a way to seek God's favor, while others view it as a way to connect with the divine. Regardless of one's beliefs, prayer can be a powerful tool for personal growth and spiritual development. It is a way to express gratitude, ask for help, and seek guidance from a higher power. It can also be a way to connect with others, both spiritually and emotionally.

The story of the book is that the family decided to sell their home to move to a new location. This allowed them to have a fresh start and to continue their family traditions. The book is a testament to the family's strength and resilience in the face of adversity.
