St. Patrick Rides Ireland
Of The Snakes & Infidels

"The snakes and the infidels Of the world, the flesh, and the devil, shall I fight?"
- Alfred, Lord Tennyson

St. Patrick went to Ireland To drive the snakes away, And to impose his command The reptiles did obeay. He had another mission For his journey to the land: That people should not ignore, But go and worship God. Now we can do the very same When Saint Patrick day begins: Let's worship Him and praise His name. Atoning for our sins.
And so to join the prayer and song That nothing could abd, Invite your friends to come along. The way St. Patrick did. Gloria Nova.
