Animals praised

March is the time to plan for Easter. Easter is the holiday that brings with it joy and color. The eggs, the baskets, the flowers, all symbolize new beginnings.

Although the number of eggs in this issue is not as high as in some others, the eggs are still beautiful and colorful. The prices range from $1.50 to $4.00 each.

The quality of the eggs is very good. They are fresh and ready to use. The colors vary from pastel to bright. The sizes range from small to large.

All eggs are the result of dedicated work by the breeders who raise them. The eggs are a reflection of their hard work and dedication.

GRAND OPENING

Office Manager Tanya Carroll of H & R Block would like to invite you to come visit our new location at 611A W. Panola. Next to the Winn Dixie Building. Monday - Friday 9 - 6. Saturday 9 - 5.
When death occurs at a distance, away from where advance funeral plans were made, it takes an expert to see that all arrangements come together.

We live in a society that is increasingly mobile. Which increases the possibility of death occurring away from home. This can add to confusion. Especially when arrangements have been thoughtfully made in advance. But not to worry. When you have made advance funeral arrangements with us, all you have to do is call. Whether you want to transfer the funeral to another reputable funeral home in a new location or if the funeral will take place near home as originally intended, we will take care of all arrangements.
