Grand jury to consider evidence against Lofton

The Panola County Sheriff's Department cannot say to a great degree how much evidence against Charles Lofton, the deputy who auto- matically becomes the grand jury's sole authority in that respect. The Sheriff, however, said he was aware of an investigation by the Department of Revenue.

This week, the grand jury will hear the evidence and determine if there is sufficient evidence to bring charges against Lofton. The evidence includes testimony from the Department of Revenue. The Sheriff also said he was aware of the investigation and that he would make every effort to cooperate with the Grand Jury.

In the meantime, Lofton has been placed on paid leave by the Sheriff's Department. He has not been arrested or charged with any wrongdoing.

---

Ruling declares ash hazardous

The Panola County Commission ruled that ash from the Montgomery Square Mall should be declared a hazardous material. The ruling was made after a public hearing and after receiving input from the public and environmental groups.

The Commission heard testimony from several individuals and groups, including the Montgomery Square Mall, the Panola County Health Department, and the Panola County Environmental Group. The groups presented arguments for and against the declaration of ash as a hazardous material.

The Commission ultimately decided to declare ash as a hazardous material, citing concerns about its potential health effects and its impact on the environment.

---

Library awarded first grant

The Panola County Library received a $10,000 grant from the Panola County Community Foundation to purchase new books and materials. The grant will help the library to expand its collection and offer a wider range of resources to its patrons.

The grant was awarded to the library as part of the Panola County Community Foundation's efforts to support local organizations and businesses. The foundation received applications from a number of organizations and chose the Library as the recipient of the grant.

The library plans to use the funds to purchase new books, DVDs, and other materials, as well as to update its online catalog and improve its website.

---

Rededication ceremony scheduled for armory

A ceremony was scheduled to rededicate the Panola County Armory. The ceremony was held to celebrate the armory's history and its contributions to the community. The ceremony included a speech by the Panola County Sheriff, who spoke about the importance of the armory to the community.

The ceremony was attended by a large crowd of local residents, who came to pay tribute to the armory's past and to support its future. The ceremony was also attended by representatives from the Panola County Sheriff's Department and other local organizations.

The armory was originally built as a World War II armory and has been used by the National Guard and other military units for many years. The armory has played an important role in the community, hosting events and providing a space for community organizations.
**Daughter praises world-class Mom**

There are scores of high school students traditionally attending career classes. Many of them spend more than a year in high school learning the basics of their careers. But what happens when the students are the professionals and their parents are the ones attending the classes? For the students at Carthage High School, it’s like having their own private tour guide. The students, who are all members of the Junior Beta Club, have been spending the past two weeks learning about the different careers available to them.

**Grand jury to convene next week**

A grand jury will be convened next week to investigate the death of a Carthage woman. The woman, identified by the official as Lila Mae Smith, was found dead in her home on Monday. The Carthage Police Department is investigating the death as a possible murder.

**CHS video earns awards**

A video produced by Carthage High School students has won several awards. The video, titled "The Story of the Carthage High School Band," was produced by seniors John Smith and Sarah Johnson. It was submitted to the National Federation of State High School Associations and won first place in the "Best Overall Video" category.

**Briarcliff Health Center invites you to National Nursing Home Week, May 8 - May 14. Different activities have been scheduled.**

Sunday, May 8 - Mother's Day
Monday, May 9 - 1950's Day
Tuesday, May 10 - Western Day, with Pleasant Ridge and Liberty
Chapel Baptist Churches leading a sing-a-long. A roping contest and pig calling contest will also be held.

STRENGTH FOR LIVING

BY JERRY BRUNWANN

In this fast-paced world, we expect things to grow, change, and get better. Our world is changing at an alarming rate. We live in a time of unprecedented change. It is a time of uncertainty and instability. It is a time of constant renovation.

In only a few years, not only can we expect to see change, we can expect to see dramatic change. Change in the way we work, change in the way we live, change in the way we think. This change will be driven by technology, science, and innovation.

We are facing a world of constant change and uncertainty. We are facing a world of uncertainty and instability. We are facing a world of change.

Please vote for EINSTEIN BRENNSTER, PLACE ONE.

Throughout the years, Einstein Brennster has demonstrated his care and concern for the children of this community—first as a teacher, then as a principal and school administrator. As the children's principal, he has been active as the past president of the Panola County Children's Services Board and Salvation Army Camp chairman, among many other civic and religious activities.

Einstein Brennster has the knowledge, experience, and capability to be a dynamic leader and provide better education for all children.

Please vote for EINSTEIN BRENNSTER, PLACE ONE.

More Civil War fighters remembered

Know Your Heritage

It has been a tradition in Mason County to honor the memory of Civil War fighters who served their country. On Sunday, May 2, the Mason County Historical Society will host a ceremony at the Mason County Courthouse to commemorate these brave souls.

The ceremony will begin at 10 a.m. A short program will be held in the courthouse annex, followed by a procession to the Mason County Cemetery. At the cemetery, a wreath-laying ceremony will take place, with speeches and music to honor the memory of those who fought.

The event is open to the public, and all are welcome to attend. It is a way to remember and pay tribute to the men and women who fought for their country.

Industrial arts students statebound

Calvin State Art is proud to announce that our industrial arts students have qualified for the state competition. Congratulations to all who have worked hard to get here.

THROUGH THE YEARS
A Salute To The Hospital, Doctors, And Medical Personnel
For These Many Generations
NATIONAL HOSPITAL WEEK
MAY 8 - MAY 14, 1994

National Hospital Week will be May 8th - 14th, and in celebration the hospital will offer specials in our lab, for the entire month of May. We will also hold the annual Fun Run and Open House on May 14th and 15th.

The highlight of this year's Open House will be the dedication ceremony to be held at 2:00 p.m. on May 15th in the main lobby. Pictures of past and present active staff physicians will be unveiled and on permanent display in the lobby, in honor of the dedication of these individuals who have been such a tremendous asset to this hospital and community over the past 44 years.

There is one staff member who was born here when the hospital first opened its doors and as everyone knows he is Dr. W. C. Smith. Even today, 44 years later the hospital is very reliant upon his wisdom and years of experience to guide it in its daily efforts to help the citizens of Panola County.

Carthage and the surrounding area are very fortunate to have all of its wonderful doctors, both past and present. The general public would be amazed at the dedication of these men. The time and support that has to be put into a small rural hospital is enormous, and people believe that physicians lead a "charmed life" that they set their own hours and make huge amounts of money. The physicians wish that were the case. These doctors spend a very large portion of their time at the hospital and/or their clinics. Even when there are no patients to see, there are charts to be completed, results to be read, board meetings, committee meetings, medical staff meetings, and numerous other things to occupy their professional time. This is definitely not a 9 to 5 job!

Panola General Hospital would like to express a huge and heartfelt "Thank You" to the physicians that have dedicated themselves to making the Hospital and the County a better place for all of us.

Where Miracles Happen Every Day
NATIONAL HOSPITAL WEEK
MAY 8 - 14, 1994

We invite everyone to participate in the Fun Run and to come and tour the Hospital during Open House. In addition to the dedication ceremony there will be refreshments, booths from several agencies representing the healthcare field and balloons for the kids.

Everyone at Panola General Hospital hopes to see you there!

Physicians contribute to early success

Dr. J.C. Cooper
Dr. J.C. Cooper was one of the early physicians in the region. He graduated from the University of Alabama College of Medicine in 1903 and began his practice in Carthage. Cooper was a member of the Panola County Medical Association and the American Medical Association. He was a leader in the community and was known for his dedication to his patients.

Dr. C. H. Jones
Dr. C. H. Jones was another prominent physician in the area. He graduated from Emory University School of Medicine in 1905 and started his practice in Carthage. Jones was active in the community and was involved in many local organizations. He was known for his expertise in surgery and his contributions to the field of medicine.

Dr. Walter S. Grimsley
Dr. Walter S. Grimsley was a member of the University of Alabama College of Medicine and started his practice in Carthage. He was active in the community and was involved in many local organizations. Grimsley was known for his expertise in internal medicine and his contributions to the field of medicine.

Panola Pharmacy 415 W. Panola 693-6791

Physicians acknowledged

Dr. Kermit R. Barge, president of Panola County and Panola General Hospital has announced the resignation of Dr. Charles E. Kerley, Jr., medical director of the hospital. Dr. Kerley joined the hospital staff in 1958 and has served as medical director for the past three years.

Dr. Kerley's resignation is effective immediately. He has accepted a position as medical director at a hospital in another state. Dr. Kerley's departure marks the end of his tenure as medical director, during which he has helped to oversee the growth and development of the hospital.

The hospital would like to thank Dr. Kerley for his years of service and wish him well in his new role.

Panola General Hospital, the doctors and medical staff have shown that they care by serving the citizens of Panola County. We salute your hard work and proven dedication.
A Good Mother Is Always There When She Is Needed

A mother must do many things. To solve the problems childhood brings. She must have the strength to find the right way. And bandage cuts and calm their fears. She must find the meaning of good deeds. And how to serve someone else's needs. Preparing for the teenage years. And helping change their life's careers. She taught them how to do things right. And always to keep their goals in sight. And meanwhile, hoping they've acquired character to be desired. Faith will illustrate the word. Of motherhood from time of birth. She showed her love in every way. So honor her on Mother's Day - Gloria Nowak
