**Taxes on leased lake lots raise questions for owners**

Owners of homes on Lake Munster have been told their property taxes are currently being assessed at the same rate as those paid by investors who have been renting homes on the lakeshore. The tax rate was approved last year by a vote of 10-0. Homeowners who have been renting their lakefront homes for more than two years may be assessed at the same rate as rental property.

For many homeowners, this news means an increase of 12.5% or more in taxes per year.

Annual awards ceremony held at CHS

The award-winning staff of the CHS yearbook, including:
- Chief Editor: John Thompson
- Managing Editor: Emily Adams
- Art Director: Alex Davis
- Photography: Cameron Brown
- Features Writer: Sarah Johnson

The staff worked hard to produce a high-quality yearbook that captured the spirit of the school year. The yearbook includes photos, articles, and illustrations that celebrate the achievements of the students and faculty.

The awards recognized the contributions of individuals who have demonstrated excellence in areas such as academic achievement, leadership, and community service.

The Panola Watchman
Another first
in regional trauma care.

T his past January, East Texas Medical Center's Regional Trauma and Emergency Center was designated as the state's first Level II trauma center. Now, we're proud to announce another first for Texas:

East Texas Medical Center's Air 1 emergency helicopter service has become the first air medical service in the state of Texas to achieve full accreditation by the Commission on Accreditation of Air Medical Services. Developed exclusively by and for air medical services, this national accreditation process focuses on quality of patient care and safety of the transport environment through an in-depth review by professional surveyors of the Commission. Air 1 has voluntarily submitted to this independent appraisal and has earned this mark of distinction.

We feel the CAAMS accreditation is just another example of East Texas Medical Center's commitment to emergency services, and we pledge to continue setting new standards of excellence as the region's preeminent trauma care provider.
