**Accident halts road repairs**

The people were injured Wednes-
day in a traffic accident that de-
tricted traffic for about 30 min-
tutes, according to a spokesman.

The accident occurred just after 10 a.m. at the intersection of State Highway 110
and U.S. Highway 79, about one
mile west of the Carthage city limits.

The spokesman said the accident
involved two vehicles, one of which
was a tractor-trailer.

The spokesman said the accident
caused traffic to be backed up for a
short distance.

**Water board to pay for shortened leases**

The Panola County P.V.C. Water
Supply District will take over the
lease of a well on the county’s west-
ern edge, according to a spokesman.

The board of managers voted to
pay $12,000 for the lease, which had
been set to expire in 1992, but will
now expire in 1990.

The decision was made because of
the board’s need for more water.

The spokesman said the water from
the well will be used to supply the
district’s customers.

**Child struck by car while riding bike**

A four-year-old boy was struck by a
car while riding a bike near his home
in Carthage.

The boy, who was unharmed, was
taken to the hospital for observation.

**Crimes downgraded by new laws**

In addition, the new code will
provide for a maximum sentence of
decreasing the number of
years’ imprisonment for
property crimes.
